

Americans Pilot First Combat Jets In South Viet Nam

SAIGON, Feb. 24 (UPI)—American pilots are flying U. S. jets in combat for the first time in South Viet Nam. U. S. B57 light jet bombers struck today at concentrations of Viet Cong troops north of Saigon where the communists mounted one of their most critical drives of the war. It was the first time the Americans have flown their jets in such actions within South Viet Nam, although U. S. jets have hit targets in Laos and have carried out American strikes against North Viet Nam. Previously, the U. S. jets had been limited to reconnaissance missions within South Viet Nam, and propeller-driven planes had been used for combat.

In the stepped up communist offensive today three Americans were killed and nine wounded. Heavy South Viet Nam troop losses also were reported. A spokesman for the U. S. embassy said B57 bombers joined with American F100 Super Sabre jet fighter-bombers in strikes against "large" concentrations of Viet Cong troops along the Binh Dinh and Pleiku provinces. There was no immediate report on the results.

The announcement of the introduction of the B57s in the war against the communists came against the background of reported diplomatic moves to negotiate a settlement, a cease-fire call by a powerful Vietnamese Buddhist priest, and the shakeup in the South Vietnamese military command.

Leut. Gen. Nguyen Khanh, who was stripped of his strongman role in the wake of the abortive coup last week, flew here from Da Lat and prepared to leave for virtual exile as "roving ambassador." The chubby general is scheduled to turn over his command of South Viet Nam's armed forces to Maj. Gen. Tran Van Minh in a public ceremony at general staff headquarters Thursday.

Informal sources said he will see U. S. JETS, Page 2, Column 7

Idaho Paper Firm Buys N.Y. Company

BOISE, Feb. 24 (UPI)—A leading New York City fine paper company, Andrews-Nelson-Whitehead, Inc., has been purchased by Boise Cascade Corporation, it was announced today.

Terms of the transaction were not disclosed. John B. Fery, vice president of Boise Cascade, said the purchase allows the Idaho firm to extend its distribution activities to an area now served by the company.

Boise Cascade manufactures lumber, plywood, paper, packaging and factory-built homes, and also distributes paper, office supplies and building materials. Andrews-Nelson-Whitehead distributes fine printing and book publishing, principally in the New York metropolitan area. It also imports high grade printing and specialty papers from Europe and Japan, Fery said.

2 Buhl Men Hospitalized After Crash

BUHL, Feb. 24—Two Buhl men were listed in fairly good condition Wednesday in Magic Valley Memorial hospital where they were taken after a car-tractor accident at 5:20 p.m. Tuesday near the driveway of the J. F. McMullin residence when the incident occurred.

A passenger in the Buhl vehicle, Sharon Muse, 23, Buhl, was treated at the hospital and dismissed. Another passenger, C. R. Patrell, 52, Buhl, was uninjured. Schiewe was cited for failure to yield the right of way.

Kosygin Invited To Visit Bonn

BONN, Germany, Feb. 24 (AP)—West Germany announced today that it has officially invited Soviet Premier Alexei U. Kosygin to visit Bonn.

Such invitations usually are given unless there is good reason they will be accepted. But Karl Guenther von Hase, Chancellor Ludwig Erhard's spokesman, told newsmen only that Kosygin had thanked West German Ambassador Horst Groppe in Moscow and that an answer is in sight. No date for the visit was mentioned in the announcement.

The invitation was extended to a meeting yesterday between Groppe and Kosygin.

Hearing on Ruby Appeal Is Postponed

AUSTIN, Tex., Feb. 24 (AP)—The Texas court of criminal appeals granted today an indefinite postponement of its hearing of Jack Ruby's appeal for his death sentence for slaying presidential assassin Lee Harvey Oswald.

The high court said submission of Ruby's appeal and a decision on which attorneys will be recognized as his counsel should wait until the trial judge, Dallas District Judge Joe Brown, decides whether Ruby is now sane or insane.

Hearing in the case previously had been set for March 10.

Snowstorms Cripple U. S. Midsection

By The Associated Press
One of winter's worst storms crippled the nation's midsection with a blanket of deep snow Wednesday.

The snowbelt extended from Texas to Michigan.

icy streets in Wichita, Kans., were buried for injuries to more than 60 persons—20 of them in automobile accidents. Others were injured mainly in falls on slippery sidewalks. Police said many more probably were injured but did not officially report the accidents.

Snow continued to fall throughout most of Illinois today and the weather bureau said Chicago and Springfield could look for a foot of snow by nightfall. Many schools in the Springfield area were closed as were many around Chicago. Many streets and highways were snow-packed and driving was hazardous.

Most other communities in the weather-weary Midwest also were under a layer of heavy snow.

Columbia, Mo., measured four inches of new snow in six hours to bring the ground total to eight inches. Most other cities from Missouri to Michigan also bory thick blankets of snow.

Severe cold aggravated by vicious winds forced many Texas schools to cancel classes, and caused some major traffic jams. At least one death was blamed on the storm and several small craft in the Gulf of Mexico were reported in trouble because of coastal winds.

Freezing rain, sleet and snow accompanied the bad weather.

At Austin, severe icing forced closing of the University of Texas, which has approximately 24,000 students.

Stutter cold arctic air plunged through the plains southward to the Rio Grande. The weather bureau said several records which have stood for 50 years were shattered this morning.

Staff Aide To Governor Group Named

BOISE, Feb. 24 (AP)—Appointment of Dr. Carl D. McMurray, 37, as the first staff appointee of the National Republican Governors' association was announced today.

Gov. Robert E. Smylie, chairman of the association, said Dr. McMurray will serve in the governor's office in Boise, devoting full-time to the activities of the national association.

Dr. McMurray is an associate professor of political science at Florida State University. He will serve in his assignment with the National Republican Governors' association under provisions of a faculty fellowship awarded by the national center for education in politics.

Smylie said that educational organization has affiliated groups in 32 states, including Idaho. He said Dr. McMurray is one of 10 faculty fellows chosen this year to serve in offices of major political leaders.

"The members of the Republican Governors' association," Smylie said, "are delighted to have Dr. McMurray serve his NCGP fellowship with us."

"With our new national headquarters opening in Washington it is imperative that we have a liaison man to help me in my Boise office. Dr. McMurray met with all the members of the association at our meeting in Denver and the arrangement was concluded at that time."

BOARDING ONE of two airplanes required to transport the annual Times-News winter tour group to Boise are Mr. and Mrs. Lloyd Patterson, Rupert, left. Tour consultant, Mrs. O. A. Kelker, on top of stairs, and Valerie Dodge, West Coast Airlines stewardess, right, welcome the couple to start a 10-day tour of the Hawaiian Islands. (Times-News photo)

37 Area Residents Leave on Airliner For Winter Vacation Tour in Hawaii

Thirty-seven people—the largest number to ever sign up for a Times-News sponsored air tour—Wednesday were on their way to Hawaii after leaving Twin Falls via West Coast Airlines.

After making the hop to Boise by West Coast, members of the group early Wednesday afternoon boarded a United Airlines four-engine craft for a non-stop jump to Portland, Ore.

Early Wednesday evening they had reservations on a North-West Orient airlines jet for the five-hour, more than 3,000-mile overwater flight to Honolulu.

The schedule called for arrival in Honolulu at 9 a.m., island time.

Tour leaders are Mr. and Mrs. O. A. Kelker, Kelker is Times-News feature editor, while his wife, Betty, is travel consultant for Magic Carpet Travels, Twin Falls. The travel service had charge of all arrangements for both air and land portions of the tour.

After four days in Honolulu, tour members will leave for a several-day visit to two other islands of the group, the big island of Hawaii and the island of Maui, termed the Valley Isle.

Although some tour members plan to remain in the islands for a longer period of time, most will return to Twin Falls the afternoon of March 5.

The tour is the third sponsored by the newspaper in cooperation with the Magic Carpet Travel organization.

The first, in 1963, also was to Hawaii, but the schedule at that time did not call for the outer island visits. The second jaunt, in 1964, was to Mexico.

Members of the present tour, in addition to Mr. and Mrs. Kelker, include:

Mr. and Mrs. Ernest Jellison, Mrs. George Gamble, Mrs. Mable Wurster, Mr. and Mrs. E. Wills, Mr. and Mrs. Damon Rutherford, and Mrs. Margaret Harper, all Twin Falls.

Mrs. Ruth S. Wahler and Mrs. Myrtle Eaton, both Wendell; Mr. and Mrs. Hedley Board, Halley; Guy E. Stevens, Jerome; Morton Brant, Kimberly; Mrs. Jessie Davis, Buhl; Mr. and Mrs. Lenz Hunt and Mr. and Mrs. Bruce Brower, all Heyburn.

Mr. and Mrs. Melvin W. Anderson, Mrs. Helene M. Wilkinson, Mr. and Mrs. Lloyd Patterson, and Mrs. Hazel Patterson, all Rupert; Mr. and Mrs. Hugo Dal Soglio and Mrs. Edith King, Guy E. Stevens, Jerome; Veri Fuller, Mr. and Mrs. Veri Goodwin and Mr. and Mrs. Harry Katschness, all Blackfoot.

BUDGET IS OKAYED
BONN, Germany, Feb. 24 (AP)—The West German Bundestag approved a defense budget today totaling 4.5 billion dollars, 250 million dollars less than last year. The vote was 227-6, with 165 Socialists abstaining.

WASHINGTON, Feb. 24 (AP)—Former White House aide Walter W. Jenkins insisted in a sworn statement made public today that he never pressured insurance agent Don E. Reynolds into buying advertising time on a Texas television station owned by President Johnson's family.

"I did know Mr. Reynolds planned to purchase advertising time and I have never asserted to the contrary," Jenkins said. But Jenkins said Reynolds offered to buy the time in an effort to meet the competition of a Texas agent who for many years had purchased advertising on radio and television.

Senate Paves Way For Referendum On Sales Tax Bill

BOISE, Feb. 24 (UPI)—State senators passed 24-17 today a bill that would allow an early popular vote on a sales tax if one is approved. The measure was described on the one hand as a means of preventing fiscal chaos in Idaho, and on the other hand as a shirking of legislative responsibility. In a debate that extended well into the noon hour, floor sponsor Sen. Perry Swisher, R., Bannock, a sales tax advocate, said he was confident the people would approve the tax if it went to a vote.

House Crushes Surtax Proposal

BOISE, Feb. 24 (UPI)—After a 23-minute discussion, the house paved the way for consideration of a sales tax yesterday by crushing 70-9 a Farm Bureau alternative that one opponent said would raise income taxes 250 per cent. Rep. Charles F. McDevitt, R., Ada, drove the final nail in the coffin of the proposal—which called for a 2½ per cent surtax on income—when he said it would raise the income taxes of 60 per cent of Idaho's taxpayers by 250 per cent. "This is the most regressive type of taxation I have ever seen in my life," McDevitt said.

Chairman Arvil Millar, R., Bingham, of the revenue and taxation committee sponsored the bill on the floor but offered it only for consideration. He did not urge its passage.

The measure and companion legislation which was withdrawn when the main bill was beaten would have imposed the apitax on adjusted gross income and eliminated eight mills of county school taxes on property.

"This possibly is one method of several that can be devised as an alternate route to the sales tax," Millar said, explaining the proposal and suggesting the house consider it as a "serious measure."

He said he felt it had "some merit" to it. So did Rep. James W. Monroe, D., Nez Perce, who has put into committee an alternative proposal for a one per cent surtax on income coupled with disallowance of the federal tax credit.

Debate on the income surtax bill had been scheduled for 3:35 p.m., but was delayed until 3:35 p.m. because of party caucuses on a telegram sent to house Majority Leader William J. Laning, R., Twin Falls, from the Farm Bureau. The wire "authorized" the leadership to withdraw the bill before debate.

Most house members felt that was a strange way to word a request and decided, after caucus, to run the bill on the floor and kill it there.

Hansen, in reporting his appointment, said most of the eight-man task force, including chairman, Rep. Odin Langen, Minn., also are members of the house agriculture committee.

He said the task force will function in somewhat the same manner as the official house group, but that it will be free from the regular committee routine.

Hansen said, "This freedom will enable the task force to more readily compile information and facts on which to formulate a workable farm program to replace the patchwork policies which have created more problems than they have solved over the past three decades."

Idaho Negro Is Member of Ku Klux Klan

NAMPA, Feb. 24 (AP)—A young Nampa Negro today is carrying a new yellow Ku Klux Klan membership card.

He is Paul L. Bellesen, who operates a cleaning firm serving several Nampa business firms.

Why did he seek membership in the KKK?

"I read a story about the Klan in a recent issue of a national magazine," he said. "I decided just for kicks to see if I could obtain membership in this highly secret organization."

"Well, I got my membership card. And I also was appointed Great Titan—to organize and set up a klavern here in Idaho."

Bellesen, a Nampa resident for almost 10 years, said he got his membership by mail after writing to the Imperial Wizard of the KKK at Tucker, Ga.

He paid a \$15 membership fee. He said he signed an oath to the effect that he is white, American-born, Protestant and gentle.

"I wonder how I made it," he said, pointing out that he had expected some kind of investigation by the supposedly secret organization.

Bellesen said he had his membership by mail after writing to the Imperial Wizard of the KKK at Tucker, Ga.

Dock Strike Accord Seen As Imminent

MIAMI BEACH, Feb. 24 (UPI)—President Thomas W. (Teddy) Gleason of the longshoremen's union said last night a settlement of the 44-day-old dock strike in South Atlantic and west Gulf ports appeared imminent.

Gleason said negotiators in Galveston, Tex., were meeting to try and hammer out a new contract for west Gulf ports.

He said once the Galveston agreement is reached, the pattern would be set for rapid followup settlement of contracts for ports in the south Atlantic area.

Hansen Gets Agriculture Group Post

Rep. George Hansen, Ida., has been appointed to the Republican house agriculture task force.

This task force is a part of the research and development committee established by GOP leadership in the 80th congress to work with the policy committee to better represent Republican viewpoints on matters of national concern.

Hansen, in reporting his appointment, said most of the eight-man task force, including chairman, Rep. Odin Langen, Minn., also are members of the house agriculture committee.

He said the task force will function in somewhat the same manner as the official house group, but that it will be free from the regular committee routine.

Hansen said, "This freedom will enable the task force to more readily compile information and facts on which to formulate a workable farm program to replace the patchwork policies which have created more problems than they have solved over the past three decades."

Ships Search Atlantic for Space Glider

CAPE KENNEDY, Feb. 24 (AP)—Two ships searched the Atlantic early today for a lost experimental space glider. It disappeared after gliding from the edge of space at speeds up to 13,300 miles an hour to an ocean recovery area.

Aircraft were expected to join the search after daybreak in an effort to locate and retrieve the 1,175-pound spacecraft.

A study of the scorched glider and its flight records may help lay the groundwork for aerospace planes that would be able to land at jetports after swooping back from space.

The dart-like craft, last of six in an air force research project called ASSET, landed near its target about 2,700 miles southeast of here 30 minutes after launch early yesterday.

The air force lost contact with the six-foot craft shortly before it hit the sea, but about six hours later searchers picked up inter-beacon signals from the spacecraft.

The signals, heard several times by three planes and a ship, last only 15 to 20 minutes at a time and aircraft were unable to locate the glider before nightfall.

Laser Beam

LONDON, Feb. 24 (UPI)—Laser beam treatment probably will be used in an operation of the Duke of Windsor's left eye within a week, sources at the London Clinic said today.

The duke, 70, has a detached retina. He was admitted to the clinic on Monday and was reported "happy and well" following preliminary tests.

Sources said the Laser beam—technically a light coagulator—will be used to weld the retina back into position at the rear of the eye.

Death Takes Movie Comic Stan Laurel

SANTA MONICA, Calif., Feb. 24 (UPI)—Stan Laurel, the rubber-faced and skinny member of the famed Laurel and Hardy comedy team, died yesterday of a heart attack. He was 74 years old.

Retired since 1955 when he had a stroke, Laurel was a victim of diabetes in his later years. He refused to appear in public after the death in 1957 of his long-time partner, "Oliver Hardy."

But the world knew Stan Laurel not as a slender old man living out his years in a home overlooking the Pacific ocean. He made virtually millions of persons laugh for three generations at his antics as the bungling and somehow lovable scamp who untidily brought catastrophe to his fat and dull-witted partner.

15 Die in Blaze

BRUSSELS, Belgium, Feb. 24 (AP)—Firemen searched the smoking ruins of a home for the aged today, seeking the remains of 15 persons believed to have died in flames swept the two-story brick and stone building about 1 a.m.

Gooding Cubs Hold Yearly Pack Event

GOODING, Feb. 24 — Cub Scouts of pack 97 held their annual Blue and Gold banquet Monday night at the Methodist church. Mrs. Tom Morrison was dinner chairman.

Pat Pierson and David Cheslik led the opening flag ceremony. The Rev. Warren McConnell gave the invocation.

Elmer Kassens, Cubmaster, presented bobcat pins to Pat Becker and Walter Parke, and welcomed them to the pack and welcomed four and six led by Mrs. Darrell Schmittler and Mrs. Robert Rhinehart. Earl Reed received a wolf badge and Danpy Kutzman was awarded a silver grow.

Roger Stone showed movies of the Ma-I-Shu trail. Boy Scouts of troop 97 performed the closing ceremony. The boys who also are serving as den chiefs are Lynn LaCroix, Ricky Thompson and Steve Flake.

DAVID L. MILLER

... son of Mrs. Isabelle C. Miller, 302 Fifth avenue north, has been commissioned a second lieutenant in the air force. Lieutenant Miller will be assigned to Goodfellow air force base, Tex., for training as an intelligence officer.

Del C. Rupert, 1918 Conant avenue, Burley, \$10, allowing dog to run at large. James Wallace, Burley, five days in city jail, intoxication; James Cockrum, 1501 Normal avenue, Burley, \$25 or five days in jail, intoxication; Helen E. Payne, Grandview addition, Burley, \$5, expired driver's license.

Dirty Deal

FORT WORTH, Tex., Feb. 24 (AP) — Mrs. F. A. Farham figures her canary named Joey Boy got a dirty deal.

The telephone rang as she was vacuuming his cage. She wheeled to pick up the phone and — whoosh — the vacuum cleaner nozzle went Joey Boy.

Mrs. Farham jerked the bag open, grabbed her canary and shook off a little of the dust. Joey Boy still was unrecognizable, so she put him under the faucet.

Then, to be sure the bird didn't catch cold, she put him under her hair drier.

"He hasn't been singing since then," Mrs. Farham said yesterday, "but he's eating well."

AIRMAN, PROMOTED

HEYBURN, Feb. 24 — Gordon K. Warner, son of Mr. and Mrs. Wilson A. Warner, Heyburn, has been promoted to staff sergeant in the air force at Clark air base, Philippines.

Navy-Marine Maneuvers Held on Coast

SAN DIEGO, Feb. 24 (AP) — With the Vietnamese crisis as an ominous background, exercise Silver Lance, one of the largest navy-marine maneuvers ever held in peacetime, began yesterday from three West coast cities.

The forerunner of an armada of more than 60 ships and 50,000 combat-equipped men, departed from San Diego, Long Beach and San Francisco for the 18-day operation.

The massive maneuvers will be climaxed March 5 when thousands of battle-clad marines storm ashore by landing craft and helicopter at Camp Pendleton, the sprawling marine corps base near Oceanside, about midway between Los Angeles and San Diego.

Using such "Camelot" — like names as Lancelot, Merlin and Modred for the participant "guy-ments," the exercise deals with the problem of landing a

marine force in a friendly foreign land.

Lancelot is the friendly nation. It is being menaced by guerrillas named Merlin. The guerrillas are being supported by Modred.

Although Silver Lance has been in the planning stage for many months before the current Vietnamese situation reached the boiling point — it takes little imagination to draw a parallel.

Lancelot would substitute nicely for South Viet Nam. Merlin, of course, bears a striking resemblance to North Viet Nam. And what else but Red China for Modred?

Reverse English

Many times, lawmakers vote a new bill into law with the best of intentions, but by the time lawyers and the courts get their hands on the new law, it shows up with an entirely different meaning. One law approved the other day by the Idaho senate is a good example. Based on news service reports, it appears the intent of the senate is to eliminate discrimination in employment on the basis of age. The bill was dubbed the "jobs after 40" bill and would make it unlawful for an employer to dismiss or fail to hire a person under 60 strictly because of age. Senators passed the bill 35-4.

But take another look. Unless there are specific provisions of the bill that have not been published, it could become known as the "no jobs after 60" law. By specifying the age of 60, senators have made it perfectly possible for an employer to dismiss a man the day after his 60th birthday anniversary merely by notifying the employee, "You're too old now."

Besides, it's not a proper matter for legislation, any more than the bill that would have changed school enrollment deadline age from Oct. 16 to Nov. 16. Idaho law now specifies that youngsters must be 6 years old by Oct. 16 to enroll in the first grade. Enrollment should be decided on an individual basis. Some youngsters are ready to start school at the age of 4, while others still aren't ready when they're 8 years old.

By the same token, many employees are completely competent well past the age of 60, but some few are no longer capable of performing their normal work at the age of, say, 55. It's a matter that should be left to the discretion of the employer.

CAN'T DRIVE 'EM OUT

There are many light moments in the lives of legislators. One came to light the other day in Boise when the legislature was working on the routine bill that would set the salaries of county officials for the next two years. Bannock county legislators came up with the pay of \$6,499.85 for Bannock county commissioners. That's a cut of 15 cents from what they're getting now.

The explanation came in the form of a newspaper clipping that quoted Lawrence Lystrup, chairman of the Bannock county commission, to the effect, "I'm firmly convinced we earn every cent of our salary and if the legislature cuts it 15 cents I'd quit. If the legislature does not feel we are worth what we are paid, then they can have the job."

The legislature should call the bluff and cut Mr. Lystrup's pay by 15 cents. His attitude is typical of so many officeholders. Right now he's ready to tell everyone he's overworked and underpaid, but come election time and he'll stop at nothing short of mayhem to keep the job.

In some cases, office holders would be willing to serve at considerably less pay than they receive now. What hooks them is the prestige of office, the power they love to use or perhaps something along similar lines. Realistically, many politicians would resist any and all efforts to get them out of office.

NO RAISES IN OFFICE

Gov. Robert E. Smylie is quite right in his stand on the bill that would increase his pay and the pay of other elected state officials. He declared he will veto the bill if it is passed by the legislature. Regardless of political faith, taxpayers will have to applaud the decision because the bill would raise the governor's pay from \$15,000 to \$22,000 a year. Even if the governor had decided not to seek reelection, he still has almost two years to serve and the pay increase would mean considerable to him.

Aside from that angle, the governor's position is right. No elected official should be permitted to accept a raise in pay during the term for which he was elected. The pay and other conditions of office are well-known to any candidate who seeks election. This basic move in filing for the position signifies that he's acquainted with the requirements and pay and they're acceptable. Election to office completes the contract between the candidate and the public and the office holders should abide by the terms of that contract.

It may be technically legal, but it's morally wrong for a politician to accept a raise during the term of office to which he was elected. It's particularly wrong in the case of lawmakers who can raise their own pay. Whenever lawmakers, that is, state legislators and members of congress, vote themselves a pay raise, they should face the electorate again before they can participate in the salary boost. In a sense, the voters should be given the chance to vote them a new contract. Some of them may not be worth a raise.

NATIONAL WHIRLIGIG

By ANDREW TULLY

SINGAPORE, Feb. 24.—For all its grim seriousness, there is a great deal of Gilbert and Sullivan to the undeclared war between Malaysia and Indonesia. Characters from "The Mikado" or "The Pirates of Penzance" would feel right at home hereabouts.

This is not to downrate the threat of more than 15,000 of Sukarno's Indonesian troops poised on the Malaysian border in Borneo and the 1,000 Peking-nourished guerrillas just over the line in Thailand. Some nut could throw a bomb and set off a major war in this area. But there remains a zany quality to the atmosphere as Malaysia more or less girds its loins for battle. It involves what one local observer calls "the question of who the ruddy hell is going to do the fighting."

ALFONSES AND GASTONS—The infant Malaysian state presumably will furnish most of the troops. But it will need considerable help, and there is hemming and hawing among its fellow-members of the British commonwealth as to where that help is coming from. Everybody is willing to let the other fellow have a go at it. Great Britain, Australia and New Zealand already have contributed some troops and war equipment. Now, however, when it is evident that much more aid will be required, there is bickering about where the responsibility lies.

Within Britain's governing Labor party, there has arisen the belief that London is doing too much in what is clearly a neighborhood affair. The cry has been raised that Britain is spending too much on its bases in Hong Kong and Singapore—about 250 million dollars a year—and that the chore of containing Sukarno should be borne by those countries which are Indonesia's neighbors.

NOMINATES ALTERNATIVES—Woodrow Wyatt, a labor member of parliament, has suggested that the war be taken over by Australia, New Zealand, India and the United States, although when last seen the U. S. was still located in the western hemisphere. All these countries, says Wyatt, are "terrified" at the thought of a communist takeover of Southeast Asia, and should contribute much more to the Malaysian war chest.

Meanwhile, Australian official circles, including Defense Minister Shane Patridge, declare deadpan that American troops will be drawn into the war if Aussie and New Zealand forces come under fire. They base their conclusions on the Anzus pact (Australian-New Zealand-U. S.), but ignore the fine print in that treaty which calls for U. S. aid only if other powers are attacked on home territory.

Finally, there is the Tunku—Malaysia's Prime Minister Abdul Rahman. The Tunku—or prince—is a thoroughly likeable politician, a dapper, carefully-mustached good fellow who bustles about dedicating car-parks, leading his golf team to glorious victory and beaming at a horse named Peak of Perfection which won the Tunku's gold cup at Kuala Lumpur.

WHAT? INTEREST?—The Tunku is still put out because Washington demanded five per cent interest on a bit of foreign aid. He complains that Uncle Sam is not alert to his responsibilities in this section of the world and must get up some bags of money forthwith or he will sink in his tent—Custom-made in Hong Kong, no doubt.

It smacks of Nanki Poo and the lord high executioner, with overtones of "Guys and Dolls," but it carries a message for Main street, U. S. A. It is that when a nation becomes the world's No. 1 power, its lesser contemporaries assume that it will automatically take charge of any crisis anywhere in the world. After all, they say, you're in Viet Nam and Berlin. Why not Malaysia?

Views of Others

THE PUMP ERA

Underground water storage is the touchstone to future Idaho water development. And underneath the Upper Snake river plains lies one of the largest opportunities in the world for this development. The plains west of the Snake river near the continental divide to Thousand Springs, hold a vast underground "lake," and channel system which has a near limitless supply of water. It is not just one of the nation's largest. Engineers believe it is one of the world's largest.

David Crandall, the new Snake river superintendent for the bureau of reclamation, emphasized in Idaho Falls this week that the "marriage" of underground and surface storage is the key to the water future—especially in Idaho which has such an abundance of both.

Crandall disclosed that the bureau is going to find out more about the storage capacity and flow characteristics of the cavernous underground system through an electrical analogue program this year. Under this resourceful measuring plan, electrical wiring, through resistor measuring devices, can tell engineers the rate of flow in any particular place, the depth of water, and even the size of the overhead cavern enclosing the water. The bureau already has measured hundreds of existing basins, but with so much of the underground basin still unexplored, the bureau will have a reasonable transparency of the storage potential. And can then plot it, so to speak, for development.

The development itself will take the form of canals off from both the north and the south forks of Snake river, together with adaptable tributaries, which would carry waste or flood waters into the desert sinks. Some work has already been accomplished in studies on the lava cones or sinks themselves. In this wondrously simple manner, the big underground storage area can be replenished from time to time.

The pump is the open sesame of an exciting new era in reclamation.—Idaho Falls Post-Register.

INSURANCE FOR MORALITY

"The insurance will cover it." The little phrase is invoked on both sides of the legal fence these days. It cushions the loss of losers, like the society woman who reportedly said it of her stolen jewels, after keeping the police waiting while she had breakfast. It cushions the conscience of thieves and destroyers who reason that no one is hurt, but the insurance company, and "they have the money."

But the cushion is not so comfortable for the insurance firms, as thefts, recklessness and embezzlements increase not to mention fraudulent insurance claims. Thus, when insurance companies attack "moral decay," they have a certain interest in winning the battle.

However, this is a case in which the self-interest of one is the self-interest of all law-abiding citizens. We hope the Kemper Insurance Group is successful in its ad campaign not to sell specific policies but to combat what it considers a moral decline.

The critic who doubts the efficacy of ads against sin is reminded by Advertising Age that Smokey the Bear did a lot to diminish the forest-fire problem. At any rate, for those who believe certain kinds of advertising themselves contribute to moral decay, it is refreshing to have this weight on the better side.—Christian Science Monitor.

PAGING ECONOMISTS

If what goes up must come down how does one explain the ever-rising cost of lying?—Windsor (Ont.) Star.

FAMOUS LAST LINE

"... I had it fixed."

GENTLEMAN IN THE FOURTH ROW

POT SHOTS

BACK TO NORMAL?

Dear Pot Shots:

Recent weather indicates Magic Valley is well on the road to getting back to what most of us think is normal weather. Before the end of the month, you'll see all sorts of activity in the fields and the first week of March will find everyone enjoying "spring" weather.

The forces that caused that long period of abnormal weather last spring, summer and fall have dissipated. We're going to have a warm, long spring and a fine summer. Our last killing frost will occur sometime in April this year.

Except for one period of poor weather around about the last part of May, the abnormal weather is gone for at least a year.

Interpreting the News

BY JAMES MARLOW
(Associated Press News Analyst)

WASHINGTON, Feb. 24 (AP)—The idea of political parties worried George Washington and in his farewell address he warned against the danger of them. If he were alive to-day he might not like Democrats or Republicans.

But it's the Republicans who would puzzle him more. They look just as disconnected now as they did in the 1964 campaign.

The Democrats, at least, are organized and know what they stand for—big government and government responsibility for the general welfare.

The voters gave them overwhelming approval.

Sen. Barry Goldwater was against that. So when he lost, in one of the worst defeats in history, the Republicans, badly divided over him, had the job of trying to resurrect the party and decide what they stand for.

They won't resurrect the party unless they can unify it. It isn't clear they have achieved that. And it certainly isn't clear they're agreed on what they stand for.

Last year Goldwater and his handpicked brain trust were the constant critics of things as they are, but were almost totally lacking on the constructive side in offering specific solutions for what ailed the country.

Before he got into the race Goldwater was positive on many things. Once in, he became vague, hedged on some of his unpopular previous statements, and used an extraordinary amount of time insisting he was not irresponsible.

This didn't add to the voters' enlightenment.

The other day some prominent Republicans discussed the party's future at a four-day session of the Young Republican national leadership training school. That wasn't very enlightening either.

Sidney Captain, a GOP finance chairman from Baltimore, had some suggestions on how to raise campaign funds.

Successful political fund raising, he said, begins at a cocktail party with "plenty of booze and plenty of charming girls floating around so there'll be no arguments."

Captain is a fund-raiser, not an idea man. But one of Goldwater's idea men, in fact his right-hand man, Republican National Chairman Dean Burch, tried his hand at resurrecting the party.

He told the Republicans, among other things, to establish themselves in the South but he warned against racial appeals. Instead, he suggested the party appeal to the economic conservatism of the average Southerner.

Who the average Southerner is, he didn't say. Nor did he offer proof that the average one is an economic conservative. But in an area where so many are poor Negroes, alongside many poor whites, there isn't much for them to conserve, although all are potential voters.

So Burch's ideas at this meeting didn't illuminate the party's problems.

The GOP house leader, Rep. Gerald R. Ford, Jr., of Michigan, didn't criticize Burch but he blamed an "unfortunate image" of the party for lack of wider appeal to various segments of the electorate, including young people and minority groups.

"I do not think," he said, "we have been able, or tried hard enough, to sell the people on the fact that we do care for their problems."

This may sound human enough but one of the best ways for a political party to tell people how much it cares for their problems is to offer programs and Ford didn't offer any.

Goldwater talked to the Young Republicans but he sounded like the Goldwater of 1964, still on the defensive at home but very militant abroad while deriding President Johnson.

Charles H. Percy, a Chicago businessman who last year narrowly lost a race for the Illinois governorship, had more the view of Ford, suggesting one way to broaden the party's base is to propose and initiate measures to meet the country's "human needs."

Judging by the disorganized thinking of the Republicans since their 1964 defeat, their comeback road will be long and tough unless Johnson's presidency falls on its face.

POOR MAN'S PLATO

BY HAL BOYLE

NEW YORK, Feb. 24 (AP)—Things a columnist might never know if he didn't open his mail: In Eskimoland you don't bring your best girl a box of candy you give her a pair of stockings made of salmon skin.

Science has done much to increase the longevity of the young, but hasn't really added much to the life span of those in their elder years.

Around 1900 a man of 80 could look forward to living 5.10 more years on the average. The figure for an 80-year-old man today has risen to 5.90.

One of the diseases of modern living is the "boredom headache." Doctors say thousands get it every day.

The heaviest coffee drinkers are those between 40 and 50, about 433 cups a day.

Most women love dinky little astrakans most men think they are a nuisance. Well, they are more than a nuisance—they're a danger. About one-third of the 95,000 fires in the home attributed to careless smoking are blamed on unsafe astrakans.

A Swedish color specialist claims you are 10 times less likely to get in an accident if you drive a pink instead of a black car.

Quotable notables: "America at \$499."

TAYLOR'S VIEWS ON WORLD NEWS

By HENRY J. TAYLOR

Women are reportedly the most important in love. They are also the most important in economics. Cupid, the blind archer, makes a shambles out of the employment situation. It is supposed to be the pulse of prosperity.

The ladies are largely buried in the nation's job statistics that get the headlines. But what we really need to do, as usual, is pay attention Henry J. Taylor to the ladies.

Their weight on the figures is so influential and fluctuating that they make this economic index a horse gone lame.

About 15 years ago service industries climbed above basic industries as the main source of employment. Now, for the first time in history, more women are working in service industries than men. Moreover, there are more married women working than girls.

Working wives make up almost one-fifth of the nation's entire labor force. Their share in any lower employment figures means no such impact on the economy as joblessness by the family bread winner. It isn't any money money-mo which goes off the job rolls.

Statistics—what Churchill called "those damn dots"—show that as late as 1950 a full 75 per cent of all married women thought their place was in the home. Perhaps they are still as happy there as bees in a bank of flowers. Who knows? But now one-third are working elsewhere or looking for a job. And they're very mercurial.

Women over 45 are responsible for most of the increase. Strangely, young mothers of children are a close second. In fact, women with children under 6 are in the vanguard of the new push into jobs. Their relative curve is rapidly up.

Education looms in this. The U. S. Department of labor states that the higher a wife has climbed the educational ladder the more likely she is to work.

Its computers find that among the nation's wives with college degrees, half are working. Only 20 per cent having less than five years of schooling are employed. The first proportion steadily gain momentum. The proportion with

less schooling stays relatively constant.

Peeps pawing on the treadmill remain an overwhelmingly breadwinner. You might think the more he earns the more the married man's earnings balloon. Nearly 80 per cent between 1950 and 1964. This brought home the newly affluence household and that helped spring "Mama out the door."

Necessity, and often curiosity, drives millions of married women to work. But if money were the only reward even more millions would disappear from the work rolls and puff up the figure of "unemployed."

The median earnings of the American wife contribute only about 20 per cent to the family income. Full-timers contribute approximately 37 per cent. But the average kick-in is knocked down because less than a third of all working wives hold year-round, full time jobs.

Ask any woman about the costs. There's a serpent in the Egyptian desert that swallows itself. This is what happens when too much of the money women wives make. Between 40 and 50 per cent of the married woman's earnings are self-swallowed by work-connected expenses: taxes, transportation, the required clothes, etc.

It's evident that many a mama works for specific "extras." These bring women on and off the employment rolls on a tremendous, scanty basis. Also, causes employment-unemployment statistics to be largely based on sand, not rock.

Statistically they are like Puck's fat boy—now you see them, now you don't.

Today's "necessities" were yesterday's luxuries. Seeking these provides one reason for her work. In addition the automobile industry's legendary Alfred P. Sloan Jr. once said, "The history of American industry is to upgrade its customers, hoping they will reach for something better." The better family car, a better college education for the children, and a vacation trip are significant "extras."

So is personal satisfaction. A large number of women, including career women, are doing under any conditions, married or not. Unless they're working in the field, they're as unhappy as a blind dog in a butcher shop. The over-all result? Women's economic contribution is more enormous than we know.

THE DOCTOR SAYS

of her trouble was to start from scratch.

To find out what her symptoms were without any of the drugs, he asked her to take a medicine for two weeks and report back to him.

Two days later she reported that she was cured.

The depression for which she had been taking one of the pills was gone, the bad taste in her mouth had disappeared, she no longer itched all over and she was staid on her feet.

Best of all, she once again felt that life was worth living. Fortunately for her, none of the drugs she was taking was habit-forming.

In many instances patients have developed annoying symptoms when they were taking the right medicine but the wrong dose.

Incidentally, this is one of the reasons why you should not try to treat yourself and why you should report all undesirable symptoms to your doctor when you are using his prescription.

Adjusting the dosage to your individual needs often requires a great deal of skill.

The unfortunate results of too much treatment are no more apparent than in the treatment of skin diseases.

Many an itching eruption has cleared up when a soothing lotion has been substituted for more rigorous but irritating preparation.

Mid-Winter Fete Held by Legion

EDEN, Feb. 24—Seven American Legion posts were represented at the fifth district mid-winter convention Saturday evening at the Legion hall in Eden. Members from Eden, Paul,

Twin Falls, Filer, Kimberly and Rupert attended. Among the dignitaries present were the department president, Mrs. Lester McCarthy, Lewiston; department secretary, Mrs. Anne Spence, Caldwell, and district president, Mrs. Juanita Pierce, Paul.

Guests also were present from Jerome and Eden. The prize money given to the guest unit and auxiliary with the most members present was split between Twin Falls and Paul. A buffet supper was served by the Eden auxiliary to approximately 60 guests.

Service Set

SHOSHONE, Feb. 24—Women's Missionary council for the Assembly of God church will present the worship services at the church at 8 p.m. Sunday. Subject of the service is "Hold High Your Light."

United States Steel
Farm Service Center
Soil Fertility Specialists

PAUL on 400 West Street, 1/2 mile east of Sugar Factory

Thursday, February 25 / 10 a.m. to 4 p.m.

This is your invitation to visit the United States Steel Farm Service Center at Paul. Join us Thursday and meet the personnel, see the new modern equipment, and visit with agronomists and others from U. S. Steel to get latest soil fertility information.

Refreshments will be served: Food, coffee, soft drinks. There'll be prizes — every hour. Valuable gifts include transistor portable radios, electric clocks, stainless steel coffee makers, special wrench sets, and many more.

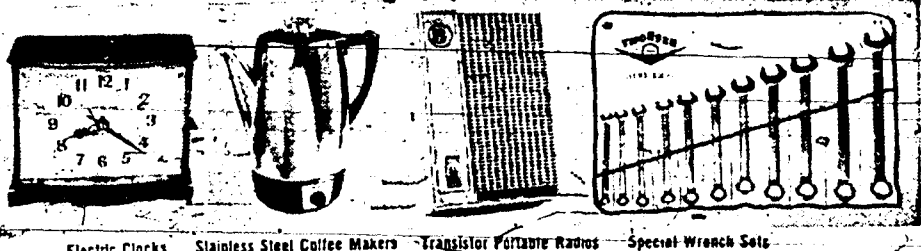

As a special feature, Dr. Roy C. Lipps, chief agronomist for United States Steel in the west, will be present in a "Soil Fertility Corner" at the open house to personally answer questions of farmers about their specific soil fertility problems.

There's no obligation. We want to get better acquainted with you, and to have you know us. We're proud of our modern plant and equipment and our people. Please stop by. And when you want to talk soil fertility — to plan for profits — our people are ready to help you.

Dr. Roy C. Lipps

Safe Flying Awards Presented

Area pilots and their guests were honored at an awards banquet held Tuesday evening at the Twin Falls American Legion hall. Almost every area town was represented at the banquet, with two Twin Falls men receiving the most outstanding honor. Fred Frazier received the "Million Miller" award and Fred Wanzel received the "Quarter Century" award.

Chet Moulton, Boise, head of the Idaho department of aeronautics, made the presentation to the two men and to others receiving awards. Moulton said this banquet was one of 10 held in Idaho each year to honor pilots.

Other recipients were: L. James Koutnik, 24 years; Lowell E. Wills, 10 years; and Lionel A. Dean, 16 years, all Twin Falls.

James M. Richards, Burley, received an award for 15 years flying; Warren Barry, Twin Falls, 14 years; and Robert C. Dean, Burley, 13 years.

Receiving 12-year awards were Constantine Amnest and Dan Howarth, both Burley; Edward McCarty, Kimberly; and Robert

S. Adams, Paul; Roy E. Lee, Burley, received an 11-year award.

Ten-year pilots receiving awards were James F. Hanzel, Burley; and Morris M. Perkins, Wendell; Richard M. Kirkman, Twin Falls, received a nine-year award.

Eight-year awards went to Don Shaffer, Burley; Leonard Purdy, Picabo; Dean Valentine, Rupert; and Harry E. LeMoine, Twin Falls. Paul Kabisch, Filer, and William L. Kinsey, Kimberly, both received seven-year awards.

John E. Brog and Morris W. Mitchell, both Burley; Valdo Gray, Gooding; Lloyd E. Shaw, maker, Kimberly; Donald G. Heath, Rupert; and Harry R. Merrick, Twin Falls, received their six-year awards.

Five-year awards went to Veri R. Chesley, C. LeRoy Garner and Lloyd R. Gundersen, all Burley; Marvin Aslett, Jerome; Larry Guisasa, Paul; and Wendell Theo Aslett, Twin Falls. Thornton R. Moxley, Wendell, was the only four-year award winner.

Pilots getting three-year awards were, Rudy Prudek and

J. Robert Tullis, both, Buhl; J. A. Bauer, Paul; Richard H. Rohle, Herman Carrel and Nille Moon, all Rupert; and Harold Fillmore and Bill Fowl, both Twin Falls.

Seven area pilots, Mearl Lee James, Linda J. Lauder and Robert Meyer, all Gooding; Jack P. Neffzer, Jerome; Harold Heins, Rupert; and Otto Stephen

Valley Riding Club Sets Dance

EDEN, Feb. 24 — The Valley Junior Riding club annual dance will be held March 19 at the Valley high school.

Committee members include Donna Wills, Vivian Wills and Charlene Kimball, refreshments; Roger Johnson and Trish Koneck, posters, and Larry Webb and Miss Koneck, publicity.

Live music will be furnished by "The Saints." The new riding outfits were discussed at a meeting at the home of Trish Koneck.

Twin Falls Times-News
Wednesday, Feb. 24, 1965

Florence, Jr. and Howard Ross, both Twin Falls, received two-year awards.

Two Twin Falls pilots, Robert N. Lassiter and Robert L. Wills, were among those receiving one-year awards. Others were Ormond F. Burch, Lewis H. Burgess and Richard Gene Solomon, all Burley; Catherine J. Stapp, Gooding; Edward N. Stockton and Joy Lou Walte, both Jerome; Ray R. Brown, Ketchum; Richard Kaunert, Paul; and Louis S. Stur, Sun Valley.

News Around Idaho

BOISE, Feb. 24 (AP)—Dr. Frank L. Fletcher, Boise, has been appointed clinical director of the congenital heart disease program of the Idaho health department. Dr. Fletcher will work for the health division, said Dr. T. O. Carver, state health administrator. Dr. Fletcher has been chief of staff at the Veterans Administration hospital in Boise since 1958.

POCATELLO, Feb. 24 (AP)—An apparent low bid of \$62,400 for construction of a new consistory at St. Joseph's Catholic church has been submitted by Clark Brothers Construction company, Idaho Falls. Architect Kenneth Douglass said contracts are to be awarded soon for construction to begin this spring. Construction is expected to take four to five months.

BOISE, Feb. 24 (AP)—Two governors were among the 350 guests who helped Harry W. Morrison, co-founder of Morrison Knudsen company, Inc., celebrate his 80th birthday anniversary last night. They were Gov. Robert E. Smylie of Idaho and Gov. Tim Babcock of Montana. Jack Benny, now president of the worldwide construction firm with headquarters in Boise, presided as master of ceremonies. The Freddy Martin band from the Coconut Grove in Los Angeles, along with singing star Jane Powell, provided music for the event, at the Hillcrest Country club.

BOISE, Feb. 24 (AP)—Intermountain Gas company said today it is considering expansion of its territory in eastern Idaho to include Rexburg. If city officials there authorize such service, Mrs. Virginia Smith, company secretary, said representatives of Intermountain will meet with the city council in Rexburg early in March to discuss the possibility of a franchise. If that is granted, Mrs. Smith said the company will announce its plans for construction. "The next move is up to the people in Rexburg," Mrs. Smith said.

BOISE, Feb. 24 (AP)—When a traffic officer stops a violator "he is saving lives—possibly your own," state police Supt. A. E. Perkins said today. "So before you start feeling sorry for someone you see getting a ticket," he added in a statement, "remember that motorist was committing a traffic violation which the records show causes accidents. We try through our educational programs to convince every motorist and pedestrian of the need for voluntary compliance with traffic regulations. The people who fail to respond to our pleas for safe driving and walking are the ones against whom we must take strong enforcement measures."

POCATELLO, Feb. 24 (AP)—Pocatello city officials have agreed that the municipal airport needs regional financial support or it will become outmoded. Bannock, Blaine, Caribou and Power county commissions were invited to a meeting in Pocatello to explore the possibility of supporting the airport by a tax of the four-county area. They did not attend. A bill which has passed the Idaho legislature would enable joint operation if it is signed by Gov. Robert E. Smylie. "We simply can't afford to keep up the airport with city funds alone," Earl Pond, Pocatello city commission chairman, said. "There will have to be many changes made to accommodate jet aircraft."

CALDWELL, Feb. 24 (AP)—Funeral services for James H. Gilson, Idaho publisher, pioneer politician figure—were conducted here yesterday. Gilson was president of the Caxton Printers, Ltd., publishing firm in Caldwell until his death Friday night. He was 79. Caxton Printers was a successor to the weekly newspaper "Cox State Rural" founded by his father, Albert Gilson, before the turn of the century. Gilson was long active in Republican party affairs. He was western manager for Teddy Roosevelt's presidential campaign on the Bull Moose ticket in 1912. Dignitaries attending the funeral yesterday included Gov. Robert E. Smylie.

PAVETTE, Feb. 24 (AP)—A spokesman for the "regressive sales tax truth committee" said today if a sales tax law is enacted by the Idaho legislature repeal efforts will get under way within 48 hours. To be meaningful, the committee chairman said for the group, said referendum petition forms are being prepared in advance so that a repeal effort can begin without delay. "We believe there is an even chance," Mainwaring said, "that the legislature will still take a good long look at the sales tax and defeat this vicious measure. However, Idaho citizens may have only 45 days to procure signatures and file petitions after adjournment of the regular session. We will be ready, just in case." Introduced in the legislature is a bill which would reduce from 60 to 45 days the period in which referendum petitions could be circulated.

Legislative Log

Passed by Senate

SB266 (Urging congress to reduce the maximum number of consecutive hours a railroad employee may work, 49-13.)

SB277 (Agriculture and livestock)—Permitting state department of agriculture to adopt a system of stamping inspected meat similar to the federal government, 58-7.

SB286 (Judiciary and rules)—Adopts the uniform trustees powers act providing for administration and regulation of trusts, 59-1.

Introduced in House

HB249 (State affairs)—Defining "urban transportation system" for purpose of computing motor fuel tax refunds.

HB250 (State affairs)—Changing from two to three years the statute of limitations for filing a complaint with the public utilities commission for excessive or discriminatory charges by a utility.

HB251 (State affairs)—Authorizing law enforcement officials to remove a vehicle that has been left unattended for more than 24 hours on a highway right-of-way.

HB252 (State affairs)—Providing that a working member of a partnership need not be covered under the workmen's compensation law.

HB253 (State affairs)—Providing that persons may be arrested without a warrant only for a crime or offense which would be a felony under the laws of the state of Idaho.

HB254 (State affairs)—Allowing state retirement board to select banks and trust companies as funding agents.

HB255 (State affairs)—Providing that elective and appointive state officials may become eligible for retirement benefits regardless of type of service unless

they were covered by a merit system.

Passed by House

SB291 (Transportation and defense)—Revising demerit point system affecting suspension and revocation of driver licenses, 59-2.

HB221 (Economic affairs)—Increasing benefits payable for total disability under the workmen's compensation law, 47-27.

Killed by House

HJR28 (State affairs)—Proposing a constitutional amendment prohibiting the state from authorizing any game of chance except pari-mutuel wagering on horse races, 28-49.

Killed by House

HJR7 (Education)—Amending Constitution to make state superintendent of public instruction appointive rather than elective official, 52-26 (23 affirmative vote needed for passage).

HB171 (State affairs)—Defining agricultural losses with relation to processing and handling of perishable fruits and vegetables, 31-40.

Meetings Set

JEROME, Feb. 24—The Northwest Baptist Bible Fellowship will meet today and Thursday at the Jerome Bible Baptist church with E. L. Winfree as host pastor. Guest pastors from churches in Washington, Oregon, Montana, and Idaho will attend the fellowship with an evening service both days. The public is invited.

"ARTISTIC ARGUMENT" takes place at the dress rehearsal of the annual all-school exchange assembly Tuesday night at Twin Falls high school. The cast was scheduled to take the show to Jerome and Buhl Wednesday. Pantomiming two Greenwich Village artists arguing over their painting are Donna Milrany, left, and Mary Perkins. The two girls' act is one of 11 which will be presented in the all-school variety show. (Times-News photo)

T. F. School "Exchange" Show Is Set

Dress rehearsal for the annual all-school exchange assembly was held at Twin Falls high school Tuesday night.

The affair is organized for performances each year at other schools in the area.

Wednesday the cast of the show was scheduled to travel to Jerome and Buhl to present its varied entertainment production. These towns will, in turn, present assemblies at Twin Falls high school later in the year.

The Twin Falls group will present 11 acts at both Jerome and Buhl, March 18. The show will be presented to the Twin Falls public and the following day to the Twin Falls high school students.

Masters of ceremonies for the show are Mike Barney, Bob Norn and Danny Danley. The production includes Dixieland bands, folk singers, tap dancers, madrigal singers, vocal selections, creative dancing and piano numbers.

Bradford Hickerson, speech and drama instructor at the high school, is the director for the show. He said that any student from the school can be in the assembly as long as he possesses the talent. The performers do not come specifically from the music or speech and drama departments of the school, "so the show is truly an all-school show."

His master's '65 Ford.....rides quieter than his master's Rolls-Royce

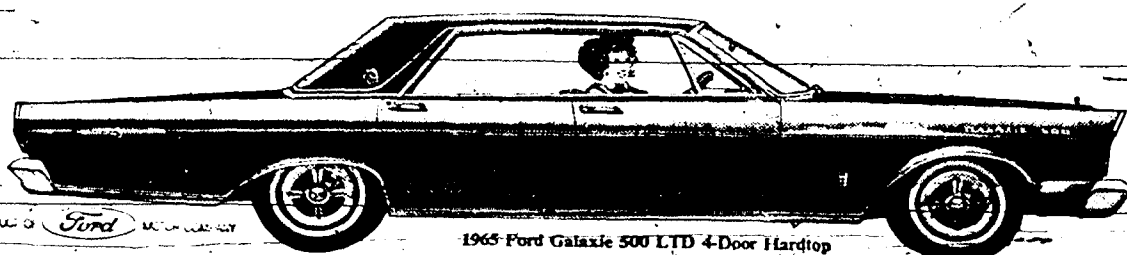

If you want one of the world's finest handcrafted luxury cars, look to Rolls-Royce. But if you want a popular-priced car, consider this: By test, '65 Fords ride even quieter than a Rolls-Royce. And quiet means quality—the '65 Ford is exceptionally strong, well designed, solidly built. Prove it, firsthand, with a test drive...

Klu Klux Klan Initiation Rites in Georgia Explained

ATLANTA, Ga., Feb. 24 (AP)—Eleven "alien" men, some wearing purple Halloween masks, were "naturalized" as citizens of the invisible empire at a secret Ku Klux Klan ceremony near Lithonia, Ga., about 20 miles from Atlanta.

The "aliens" were 11 men adjudged by the Klan to be "qualified white Caucasian Americans." The "invisible empire" is the "government" operated by the Klan.

An Atlanta Constitution reporter and a photographer were picked up in downtown Atlanta, blindfolded and taken to the initiation ritual by two Georgia Klansmen.

One was Calvin F. Craig, Atlanta, grand "dragon" of the United Klans of America, Inc.

The other Klansman identified himself only by a code name— "Blue Nose Leader."

Craig said the newsmen were permitted to observe the ceremony so that they could see that the Klan "is not un-American."

Rep. Charles Weltner of Atlanta, a member of the house committee on un-American activities, has proposed that the committee investigate the Klan.

The rite was directed by the Klavern's cigar-chewing, red-robed exalted cyclops who told newsmen to address him as Mr. X.

About 40 robed and masked KKK members sat in straight-backed chairs around the edge of the meeting hall.

One of the masked men was an FBI informer, the grand dragon confided. He said he knew which one.

During most of the ceremony, the room was dimly lit with red light bulbs glowing from a wooden cross before an altar in the middle of the room. The altar held a U.S. flag, a glass of water, a Bible opened to the 12th chapter of Romans and a rusty iron sword.

The biblical passage was St. Paul's admonition to live righteously.

All objects on the altar were pointed out during the ceremony as representing Klan "virtues"—the Bible for religious zeal, the

water for purity, the flag for patriotism and the sword for courage and willingness to fight.

The red-robed kladd of the Klan—the bouncer—shouted sharp military orders to the initiates as he marched them single file, then double file around the room about six times.

Periodically during the march, the Klansmen whistled at them, apparently as some kind of secret sign.

The initiates were halted in front of four Klan officers—the exalted cyclops—klavern or chapter president; the kludd—chaplain; the kolkard—lecturer; and the klaff—vice president.

The initiates were given instruction in "Klan-kraft."

The initiates were ordered to defend the United States with their lives, "to protect the chastity of our white womanhood" and "faithfully strive to maintain white supremacy."

They were asked: "Are each of you native-born, white gentile citizens?"

They were told they would be given a test in the coming weeks.

Mr. X gave each initiate a chance to back out. They all said they would stay.

Some of the new Klansmen may be given "a special degree" known as the Royal Order of the Yellow Dog.

Both Mr. X and the grand dragon declined to discuss it except to say, "It's a side degree."

U.S. to Drop Viet Nam Mercenary Project

(Editor's note: One of the lesser-known aspects of the war in Viet Nam is the mercenary project. The following dispatch discloses that the Americans are losing the war in the jungles of South Viet Nam, and that the U.S. special forces are being scattered throughout South Viet Nam.)

SAIGON, Feb. 24 (UPI) — The American military command here is quietly abandoning an experiment in hiring Viet Nam-born mercenaries at premium pay to fight the communist rebellion. The reason: They are too well paid.

An authoritative American source revealed during an interview that the Chinese troops — known as Nungs — are being discharged because other mercenaries resent their higher wages.

About 4,000 of the Chinese have been serving in camps run by the U.S. army's elite special forces. An estimated 20,000 civilian guerrillas have been hired from the non-Vietnamese minority to serve as guards and to attack Viet Cong supply lines and bases. The Nungs have been paid more than three times as much as the Cambodians and mountain tribesmen who make up the rest of this civilian organization of irregulars.

The reason for their better pay is that they have won the respect of the Americans, who have found them to be tough fighters and trustworthy allies. Actually, the Nungs — named after an obscure mountain tribe — are not being fired outright, but to continue as mercenaries.

they will have to be rehired at the same pay as the others, the source said.

Although the South Vietnamese army consists of 243,000 regular troops, the mercenaries were hired for military tasks that take special skills.

One American special forces man told UPI that his unit had already been advised that no more funds for hiring Nungs would be forthcoming. Another source in Saigon said recruiting in this city's Chinatown district for mercenary assignments had been dropped.

Nonetheless, sources in Da Nang, 400 miles north of here, say that some Nungs are being taken on as special security guards to prevent recurrences of the red raids on American bases that killed more than 30 soldiers in Pleiku and Qui Nhon two weeks ago. Those raids led to U.S. retaliatory bombing strikes against North Viet Nam.

In some cases, the Da Nang reports said, American servicemen are digging into their own pockets to pay the new guards \$5 a day.

In Washington, military sources said that a halt is being put to the practice of some army officers who chipped in to provide extra pay for the Nung guards.

The source said it was noteworthy that there was no attack on the special forces camp located near the Qui Nhon barracks and that this was an exception.

ample of the value of the Nungs as guard.

The mercenaries can quit the jobs at any time—and they often do, especially when the fighting gets hot.

But the Nungs have such reputations for courage and loyalty that they have virtually become bodyguards for the 13-man American teams which operate the special forces camps.

Asthma Formula Prescribed Most By Doctors—Available Now Without Prescription

Stops Attacks in Minutes... Relief Lasts for Hours!

New York, N.Y. (Special)—The asthma formula prescribed more than any other by doctors for their private patients is now available to asthma sufferers without prescription.

Medical tests proved this formula stops asthma attacks in minutes and gives hours of freedom from recurrence of painful asthma spasms.

This formula is so effective that it is the physicians' leading asthma prescription—so safe when used as directed that now it can be sold without prescription in most states.

—In tiny tablets called Primatene®. These Primatene Tablets open bronchial tubes, loosen congestion, relieve tight nervous tension. All without painful injections.

The secret is—Primatene combines 3 medicines (in full prescription strength) found most effective in combination for asthma distress. Each performs a special purpose.

So look forward to sleep at night, and freedom from asthma spasms. Get Primatene at any drugstore.

Wednesday, Feb. 24, 1965 Twin Falls Times-News 7

TV Schedules

WEDNESDAY, FEB. 24

"The Dick Van Dyke Show" (7 p.m. and 9 p.m. CBS)—Rob invests in a shoe store and winds up having quite a bit of trouble with several customers when he and Buddy have to mind the shop after the regular clerk quits.

"Shindig" (7:30 p.m. ABC)—Guests tonight include Stan Getz, jazz saxophonist, and singer Neil Sedaka.

"The Danny Kaye Show" (8 p.m. CBS)—Paul Ford is guest tonight, portraying "Ringfinger," an evil genius who plans to flood the Earth. Danny is cast as "James Blonds," a secret service agent out to stop him. Also appearing is British singer Shirley Bassey, who sang the theme song "Goldfinger," the hit movie on which tonight's comedy sketch is based.

"Burke's Law" (9 and 10:30 p.m. ABC)—Tonight's episode takes place at the circus, but the three-ring affair has a clown act that ends in death. Suspects include Corinne Calvet, Joan Caulfield, Betty Hutton, Terry-Thomas and Jack Weston.

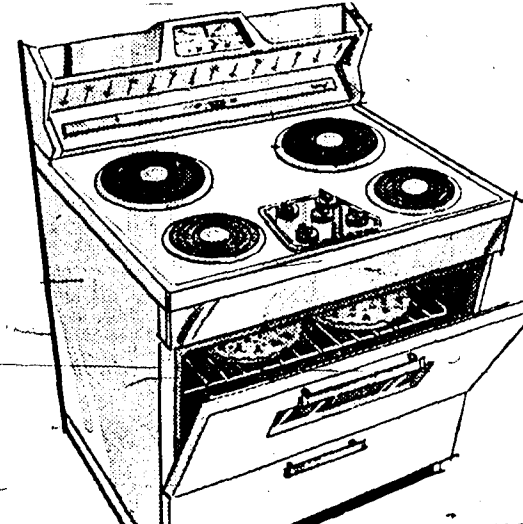

BEST WEDNESDAY NIGHT MOVIES

"Submarine Command" (1951) William Holden, William Bendix and Nancy Olsen (8 p.m. KUTV, KTVB and KIFI)—Adventure drama of warfare in the Pacific. Better than most of the World War II films, with plenty of action.

"Spellbound" (1945) Ingrid Bergman and Gregory Peck (10:30 p.m. KSL)—Lady psychiatrist shields a doctor accused of murder, works to prove his innocence. Suspense drama has its moments, but is rather drawn out, unnecessarily tricky in its direction by Alfred Hitchcock.

Mrs. Henderson Is Speaker for Women's Club

FILER, Feb. 24—Mrs. Helen Henderson, county probation officer, spoke on juvenile problems at the meeting of the Women's club. She told of some of the cases which her office handles in dealing with probation work.

Mrs. Henderson was introduced by Mrs. Earl LaHue, program chairman. Debra Butts presented piano selections, and the Shari's girls quartette sang.

Ruth McDougall, president, appointed Mrs. Raymond Thomas as Mrs. Currie Ames and Mrs. Anna Benson to serve on the nominating committee.

Miss McDougall announced that Dr. Frank Kallusky, Buhl, will speak on hypnosis at the March 10 meeting.

A potluck dinner was served prior to the meeting. Committee members were Mrs. E. A. Bacon, Mrs. Allen Heasler, Mrs. Della Coates and Mrs. Ames.

The ways and means committee conducted a silent auction. Guests included Mrs. J. R. Bennett, Mrs. Morris Carlson, Mrs. Orville Sackett, Mrs. C. T. Dean, Mrs. Everett Bonnichsen, Mrs. Fred Reichert, Mrs. Alfred Thier and Mrs. Edward Sharp.

Mrs. Matheney Conducts Meet
EDEN, Feb. 24—Mrs. Austin Matheney was in charge of the business meeting when the United Presbyterian Women met at the home of Mrs. Ed Louder.

Final plans were made for serving at the Home Case sale. Mrs. Alvin Pickett was in charge of the lesson, "Freedom of faith," taken from the book, "Live A Free Man."

Guests were Blanche Otto and Mrs. Thomas McClure. Refreshments were served by the hostess. Next meeting will be March 2 at the home of Mrs. Fran Stevens, with Mrs. Curtis Metcalf in charge of the program.

Smorgasbord Dinner Held
Emanon club members and their husbands met with the Unity club members and their husbands at the Depot grill Caser room for a smorgasbord dinner.

Pinocle was played following the dinner with prizes going to Charles Orive, high, and Charles Kevan, low.

Emanon club's February meeting was held at Knoll Grange hall. The program committee, Mrs. J. T. Anderson and Mrs. Ernest Tucker, introduced Clifford Sharp, Twin Falls policeman, who gave a talk on safe driving.

Refreshments were served by the committee.

Church Unit Has Potluck
Members of the Reorganized LDS church held a potluck supper to honor those having birthday anniversaries in January and February. Those honored include Donald Roan, Ivan O. Montgomery, Jeannett Higgins, Henry Higgins, Helen Day, Bobbie Petersen, Michael Petersen, Johnnie Grigsby, Danny Grigsby, Nancy Schroyer, Connie Weeks, Robert Weeks and Darrel Irish.

Following the supper, the honorees presented a program with Arthur Day in charge. Roan read a poem, Montgomery gave a harmonica solo, the Petersens each gave a recitation, Miss Schroyer sang a solo, the Higgins sang a duet, with Miss Higgins accompanying them on the piano, and Montgomery gave the benediction.

Fund-Raising Session Held
HAERMAN, Feb. 24—Mrs. Nora Fallin conducted the Union Rebekah meeting which featured a fund-raising session for the educational fund of the unit.

Mrs. Flossie Marsh donated a cake, which was sold, and games were played with proceeds going to the educational fund. Those in charge were Mrs. Clotilde Marsh, Mrs. Flossie Marsh and Mrs. Nora Fallin.

It was announced that Mrs. Florence Dedrick, Gooding, district deputy president, will make her official visit at the March 2 meeting. All members will wear formal gowns. District No. 6 meeting will be held March 6 at Gooding.

Refreshments were served by Mrs. Emma Sevey and Mrs. Oscar Anderson.

PEO MEETS
FILER, Feb. 24—Mrs. Ronald Brady presented a program, "Take time to restyle," at the meeting of Filer chapter A.H. PEO, at the home of Mrs. Thomas Lucas. Mrs. Edward Brown and Mrs. Lucas served a dessert luncheon.

MR. AND MRS. CHARLES E. MCNELLY

50th Wedding Anniversary Open House Set

BUHL, Feb. 24—In observance of the 50th wedding anniversary of Mr. and Mrs. Charles E. McNelly, an open house will be held from 2 to 5 p.m. Sunday at the Buhl First Presbyterian church.

All friends and relatives are invited. The couple requests no gifts.

McNelly came to Idaho in 1909. He returned to Farmington, Minn., to marry Iva P. Hart Feb. 23, 1915. After their marriage they returned to Buhl to reside in the Northwest district, where they have resided since.

Their children are Mrs. Lars J. (Edith) Madson, Whitier, Calif.; Donald E. McNelly, Buhl, and Mrs. Bernard J. (Mayme) Ruffing, Twin-Falls. The couple has four grandchildren.

Open House Held in Valley
HAERMAN, Feb. 24—Mr. and Mrs. Robert Tupper were hosts at an open house at their home in honor of Tupper's brother and sister-in-law, Mr. and Mrs. John Tupper, Wadsworth, Ill., and their daughter, Mrs. Russell Shallock, Sheboygan, Wis., and a granddaughter, Shari Scholander.

Four generations were present, as Tupper's mother, Mrs. Lillian Tupper, was a guest of honor, as were Mr. and Mrs. William Froescher, Shoshone.

Mrs. Daniel Neffenecker, Wendell, assisted with the open house.

Literature Meeting Held
DIETRICH, Feb. 24—The Dietrich LDS Relief society literature meeting was held at the Dietrich LDS chapel.

The lesson, "Exploring right and wrong attitudes through literature," was presented by Mrs. Blanche Cooper.

"Three Arshins of Land," by Count Leo Tolstol, and "The Pardoner's Tale," by Geoffrey Chaucer, were discussed.

Muscle was under the direction of Mrs. Nedra Hubert and prayers were given by Mrs. Jean Sorenson and Mrs. Esther Clegg.

Valentine Party Held
SHOSHONE, Feb. 24—A Valentine party was held at the LDS MIA meeting after department work for the classes.

In charge of arrangements were Mrs. Howard Knowles and William Harris, activity counselors for the MIA.

Ruth Griggs represented the ward at the stake speech festival.

Valentine Party Held
SHOSHONE, Feb. 24—A Valentine party was held at the LDS MIA meeting after department work for the classes.

In charge of arrangements were Mrs. Howard Knowles and William Harris, activity counselors for the MIA.

Ruth Griggs represented the ward at the stake speech festival.

Social Events

World War I auxiliary will have a social meeting at 1:30 p.m. Friday at the home of Mrs. Grant Kunkle, Kimberly.

Twentieth Century club will sponsor a benefit card party at 2 p.m. Friday at the Rogerson hotel Desert room. Luncheon will be served. High and low prizes will be awarded. Guests are welcome.

Swinging Sixties will meet at 7:30 p.m. Friday at the Moose hall. Everyone bring a sack lunch. Coffee and punch will be furnished. All eligible persons are invited to join in the social.

Mrs. J. Dodds Reviews Book
Le Livre et La Plume Literary Arts society held its February meeting at the home of Mrs. Robert Smith. The book, "Daughter of Eve," the story of Pocahontas, by Noel Gerson, was reviewed by Mrs. James Dodds.

Mrs. Dodds was dressed as an Indian princess and a portrait of Pocahontas, painted by Mrs. Robert Smith, decorated the home.

The author's sketch was given by Mrs. Lloyd Bledsoe and the guided thought was given by Mrs. Alvin Sedivy.

Co-hostesses were Mrs. Lloyd Bledsoe, Mrs. Blair Osterhout and Mrs. Robert Condie.

Secret Pal Names Drawn
Secret pal names were drawn by members of the Past Oracles club at a meeting at the home of Mrs. Anna Branson.

Mrs. Branson served a dessert luncheon following the business meeting. Mrs. Branson was presented a special gift.

The March meeting will be at the home of Mabel Young, with Mrs. Grace Samples and Mrs. Mata VanBuren as hostesses.

Pot Planting Program Given
An all-day potting plant program was held by the Magic Valley Saintpaulia club at the home of Mrs. Sam Porter, in preparation for a show and plant sale to be held in the spring. Mrs. Sam Hawkins and Mrs. Harry Morris, Jerome, are chairman of the event.

A potluck luncheon was held and a business meeting followed. Mrs. I. G. Prescott received a gift from her secret pal.

Nancy Davis, Chelene Plan May Ceremony

Mr. and Mrs. R. E. Davis announce the engagement of their daughter, Nancy, to Richard J. Chelene, son of Mr. and Mrs. George W. Chelene, all Twin Falls.

The bride-elect is a 1959 graduate of Twin Falls high school and attended the University of Idaho for two years where she was affiliated with Phi Beta Kappa. She now attends Twin Falls Business college.

Chelene is a 1955 graduate of Twin Falls high school and a student at the University of Idaho, majoring in economics. He traveled extensively in South America in 1960-61 and later was in the army, stationed in Germany.

The couple plan to be married May 1 at St. Edward's Catholic church. They will reside in Twin Falls until September when both will continue their studies at the University of Idaho.

FHA Voting Delegates Are Named in Buhl
BUHL, Feb. 24—Voting delegates for the state Future Homemakers of America convention to be held April 22 through April 24 in Boise were selected by the Buhl chapter, FHA, during its annual daddy-date night observance at the high school.

Delegates are Judy Schaal, freshman; Karen Popplewell and Debbie Williamson, sophomores. Kay Barrett and Mona Freeman were named alternates.

The group approved amendments to the constitution, one to establish the Miss FHA program as an annual event, and the other setting forth certain qualifications for various chapter officers.

March 15 is set as the date for the next meeting. Officers will be elected and a mock convention featured.

Guest speaker was the Rev. Delmar M. Talley, pastor of the First Christian church, who spoke on the importance of citizenship.

The program also included a humorous reading by Yvonne Green and selections by the high school hootenanny group, "The Legends," composed of Michael Anderson, Rick Johnson, Lynn Thomson, Michael Pierce, Randy Baxter, Joseph Martin, Jan Rowen, Maria Babb-Cheryl Machacek and Peggy Cox. Maria Alford gave the devotional service. Games and contests concluded the evening's entertainment.

Refreshments and decorations were carried out in the valentine theme. Margie Lierman was general chairman and Margie Pew, officer in charge of the event. Other chairmen were Kary Bartlett, refreshments; Rosemary Vecera, decorations; Sharon Hepperle, devotional service, and Sandra Wilson, publicity.

NANCY DAVIS

Linda L. Boyd Is Bride of John Latimore

RENO, Feb. 24—Linda Louise Boyd became the bride of John T. Latimore, both Reno, in formal rites performed Jan. 24 by the Rev. Felix Manley at the Federated church, Reno.

The bride is the daughter of Mr. and Mrs. Robert D. Boyd and the bridegroom is the son of Mr. and Mrs. Joe H. Latimore, Reno, former Twin Falls residents.

Barbara Deshler was maid of honor. Bridesmaids were Connie Baker, Mrs. Lola Mannix and Vickie Jo Latimore.

Best man was William Ellis, Twin Falls. Ushers were Paul Chelson, North Hollywood, Calif., Thomas Cross and David Cross.

Peppermint carnations decorated the church fellowship hall for the reception.

The newlyweds will reside at 1443 North avenue 47, apartment No. 13, Los Angeles, Calif.

The bride is a graduate of Reno high school and attended the University of Nevada, Latimore—is a senior student at Occidental college, Los Angeles. He is a Phi Beta Kappa member.

MRS. JAMES BRUNS (Jordan's photo)

Patti Larsen Is Bride of James Bruns

GOODING, Feb. 24—Patti Larsen, daughter of Mr. and Mrs. Gene Larsen, became the bride of James Bruns, son of Mr. and Mrs. H. J. Rodabaugh, all Gooding, in a double ring ceremony performed Feb. 6 in Elko.

The bride wore a white sleeveless street-length gown of French cotton fashioned with a square neckline and full skirt edged with circles of lace. A crown of pearls held her short bouffant veil of sheer illusion.

As tokens of sentiment, she wore the traditional blue garter, a penny in each shoe, a handkerchief borrowed from her mother and a tiny rhinestone pendant, a gift from the bridegroom. She carried a bouquet of pink carnations tied with flowing satin streamers. The newlyweds will reside in Twin Falls.

Articles From "The Writer" Are Discussed

Articles, "Flash-back" and "Trade Journal marketing tips," from The Writer, were presented for discussion by Mrs. Roy King during the February meeting of the Scribblers club at the home of Mrs. Walker Carr.

"The Last Laugh," an original humorous story on her fishing experience, was presented by Mrs. Anna Hayes. She announced that the special sonnet contest, "A prayer for peace," deadline is April 15 for the \$25 award, and the sweepstakes award is to be presented May 10. Address all entries to Mrs. Albert Pritchard, 648 Lakewood boulevard, Dallas, Tex. 75214.

Publications were announced by Mrs. George Crockett, Mrs. Earl Walker, Mrs. Olive Kelley and Mrs. James Vandenberg. The March meeting will be held at the home of Mrs. Kennon Whitesides. Mrs. Carr will present the program.

Magic Valley Favorites

MRS. POLLY RICHARDSON
823 East fifteenth, Odessa, Tex.

Texas-Styled Onions
6 large mild onions
1 cup cooked, chopped chicken livers
1 cup cooked, chopped ham
butter
Salt and pepper
1 teaspoon tabasco
Sherry

Peel onions and parboil in boiling salted water just until tender or about 30 minutes. Drain and scoop out centers, leaving a good wall. Brush insides with melted butter and sprinkle with salt and pepper. Sauté livers and ham until hot in butter to which salt, pepper and tabasco have been added. Fill onion shells with the mixture, brush melted butter over the top and set onions in a shallow baking dish with cover. Bake in 325 degree oven for 30 minutes or until tender. Anoint with a small quantity of sherry before serving.

Demonstration Council Meet Set in March

HOLLISTER, Feb. 24—The district Home Demonstration council meeting is set for March 25 in Jerome. It was announced at the Salmon Tract Homemakers club meeting at the home of Mrs. Heber Loughmiller.

Registration for the council meet is set for 9 a.m. at the Moose hall. Anyone interested in going is asked to contact Mrs. Ralph Ward.

Mrs. Clarence Lathier was co-hostess. Guests were Mrs. Richard Parrott and Mrs. Leslie Jones. Mrs. Oran Jones and Mrs. C. J. Boss presented the lesson. "Tips for creative cookery" planned ahead. Two dishes were prepared and sampled by the group.

Each member was requested to bring towels, bedding, etc. to the next meeting to be boxed and sent to the Salvation Army. A donation was sent to the Heart fund.

The club will sponsor the annual Cancer drive for the Salmon tract area. Mrs. Boss is chairman for the drive, assisted by Mrs. David Chadwick, west end of Hollister; Mrs. Gary Nelson, McMaster flat area; Mrs. Kenneth Aston, west Berger area, and Mrs. Ward, east Berger area.

Fifteen members enrolled in the medical self-help training classes. The classes will begin at 2 p.m. March 4 at the home of Mrs. Chadwick.

It was announced the Salmon Tract Community Farm Bureau is sponsoring a meeting on halo blight in beans at 8 p.m. March 9 at the Hollister Grange hall. Dr. Leslie Dean will speak on the disease and Harold Mense on the insurance.

The next meeting is set for 2 p.m. March 17 at the home of Mrs. Eugene Griff, with Mrs. Ward as co-hostess. The lesson will be "Personal development."

Husbands Feted

WENDELL, Feb. 24—Members of Pollyanna club entertained at dinner at the Orchard Valley Grange hall for their husbands and families.

Plans were made for the March meeting, with Mrs. Ole Klemm as hostess. Mrs. Klemm will give knitting instructions at this meeting.

HAMBURGER AND ELBO-RONI BAKE

2 cups Elbo-Roni

2 chopped onion

1 tablespoon butter

1 pound hamburger

1 tablespoon butter

1 cup soup, tomato or mushroom

1/2 cup ketchup

1/2 cup salt and pepper to taste

Cook Elbo-Roni in boiling salted water until tender. Drain. Brown hamburger, onion, pepper in butter. Mix all ingredients together, except soup. Put in casserole and add one can of soup. Bake 45 minutes at 350°.

Serves 4-6

Do face creams really work?

by HELEN F. PORTER

A good part of my time as a beauty consultant has been spent studying all kinds of face creams. I've found, as I'm sure many of you have, that while most did some good, none really satisfied me. But recently I've been using a face cream that I think is just what women have been hoping for. It's light and greaseless, and its skin-softening emollient formula—includes polysaturates. This is important—because our skin's supply of moisture-retaining natural oils—skin softening polysaturates and emollients—actually drains away slowly with time. But this cream puts a supply

of oils and emollients, including skin-softening polysaturates, right on your skin. Yet it smooths in almost instantly, and never leaves a greasy film on your face or pillow case.

This cream which is made here at Prince Matchabelli, is called Polyderm. I wish you would try it, because I'm sure you'll find, as I did, that with daily use Polyderm moisturizes your skin—gives you a softer, smoother, younger looking complexion.

So you can see what Polyderm's emollient polysaturate formula will do for your skin. I suggest you go to the Toiletries Dept. of TROLINGER'S PHARMACY and ask for a jar. A 4-month supply is \$5.00 and a 2-month supply is \$3.50 plus tax.

America's Greatest Living Naval Hero Has Anniversary

SAN FRANCISCO, Feb. 24 (UPI)—Fleet Adm. Chester W. Nimitz celebrates his 80th birthday anniversary today in his own way. That means no "celebration."

America's greatest living naval hero will stay quietly at home with members of his family after vetoing all plans for any public celebration and declining any interviews.

Previously the tall, erect naval leader has reluctantly given in to pressure for a public celebration and then regretted it.

On his 75th birthday anniversary, the navy arranged a huge dinner.

"Am I looking forward to this celebration?" Nimitz responded to an interviewer at the time. "I'm looking forward to the end of it. I feel the same way about it as the man who bought himself a small boat—his two happiest days were when he bought it and when he sold it."

Nimitz became commander-in-chief of the U.S. Pacific fleet 10 days after the Japanese attack on Pearl Harbor, Dec. 7, 1941. He then directed America's naval campaign through the island-hopping that eventually crushed Japan's naval power.

He had under him a thousand ships and two million men—the mightiest naval armada ever amassed by one nation.

Nimitz has said he will never retire. Since 1947 he has been a special assistant to the secretary of the navy and has been considered on active duty.

The admiral lives with his wife Catherine, on Yerba Buena Island in San Francisco bay, where the navy maintains quarters for ranking officers.

Much of his time in recent years has been devoted to studying naval history, answering his mail and maintaining his physical condition.

Nimitz has never written his memoirs and says he never will. Such books, he once told a UPI interviewer, often contain "many critical remarks and self-praise at the expense of others. Any memoirs I wrote could not add historically to what has been written."

For the past 20 years, Nimitz has reiterated one judgment which probably would have been prominent in any book he wrote. That is the belief that the Japanese attack on Pearl Harbor "could have been devastatingly worse."

Nimitz has said that if the U.S. fleet had been at sea instead of tied up at Pearl Harbor, it would have been sunk at sea and the country would have lost perhaps 20,000 men instead of some 3,800.

He also believes the Japanese blundered in not destroying the huge, above-ground fuel tanks on Hawaii and in not following up their initial success with raids during the next several days.

Although it did not seem so then, Nimitz believes that "the good Lord was in some way looking out for us."

ADM. CHESTER W. NIMITZ

Passport Offices Will Remove Travel Posters

WASHINGTON, Feb. 24 (UPI)—The State department has ordered U. S. passport offices throughout the country to take down the travel posters from their walls.

Officials said the order was in compliance with President Johnson's Feb. 10 balance of payments message to congress, which said that to ease the dollar drain, American tourist travel abroad would not be encouraged, though Americans are still free to travel if they want to.

Officials said passports will be issued normally. "If anybody wants to go abroad, they can," one official said. "But we don't want to be in the position of encouraging or suggesting foreign travel."

Morningside PTA Notes Founders Day

The Founders day program at the Morningside PTA meeting Monday evening consisted of a panel discussion on homework, grades and PTA, and the presentation of a service award.

Panelists were Mrs. Ruth Riemann, a teacher; Mrs. Ann Heuston, a parent; Dr. Howard Ronk, a parent and Dennis Messenger, principal.

Buzz Langdon, PTA vice president, was moderator as panel members discussed their views on "How far should a parent go in helping a child with his homework?" "Why does a bright student suddenly begin receiving failing grades?" and "PTA—a help or a hindrance?" They also answered many questions from the floor.

Mrs. Phyllis Amodeo awarded a service pin to Messenger for the work he has done for the school and the PTA.

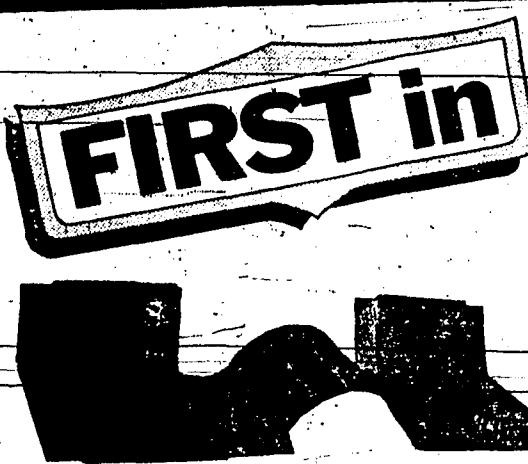

A short patriotic marching drill was presented by Mrs. Maude Shotwell's fifth grade class. The pledge of allegiance was led by Jeff Standley. "Your Flag and My Flag" was recited by Jay Ronk. "Old Glory" was recited by Kathy Dudley and "You're a Grande Old Flag" was sung by the entire class.

The invocation was given by Mrs. Olen Seamons and Mrs. Sonia Kurtz, new second grade teacher, was introduced.

Mrs. Shotwell gave attendance plaques for the upper grades for the upper grades and Mrs. Frances York made the presentation for the lower grades. The members of the new public address system and turntable which has been installed at the school as a gift from the organization. Dr. Ronk expressed appreciation for the plant and memorial donations to the high school library in memory of his daughter, Niki Ronk.

Legislature Activity

BOISE, Feb. 24 (AP)—A bill authorizing inspection of books for "pre-need" funeral plans by the Idaho commissioner of finance was approved 30-19 yesterday in the senate. But the senators killed a bill to "pre-need" plans before putting the balance of customers' payments in trust funds. Present law requires all payments to be put into trust until they are needed. Sen. Jack Wood, Jr., D., Bonneville, said permission to deduct costs plus 25 per cent, as proposed, would result in "casket salesmen going from door to door."

BOISE, Feb. 24 (AP)—A bill to keep "carpetbaggers" from being Idaho candidates for governor, U. S. senator or representative by requiring two years continuous residence has been approved by the senate. "This bill is in the carpetbaggers," said Sen. Bill Young, R., Canyon. "I would hate to see happen in Idaho what has happened in other states." He said the bill would prevent out-of-state people from becoming candidates for Idaho office in hopes their chances for election would be better in Idaho than elsewhere.

BOISE, Feb. 24 (AP)—The Idaho senate has scheduled a bill designed to prevent "buying" of candidates by out-of-state interests for amendments to clarify it. The intent of the bill, which would prohibit candidates for governor, U. S. senator or representative from receiving out-of-state contributions, was an opposed westerner from the senate. But Sen. William R. Allen, said the wording of the bill could be interpreted to prohibit national political parties from supporting state candidates. The bill's sponsor, Sen. James Ellsworth, R., Lemhi, said \$50,000 could influence an Idaho election and this makes the state a "sitting duck for eastern interests." He said eastern interests could finance candidates to influence their actions on tariffs and other items to benefit the East at the expense of Idaho and other Western states.

BOISE, Feb. 24 (AP)—The house passed and sent to the senate yesterday a bill increasing workmen's compensation benefits in disability cases following debate covering the responsibility of society to care for injured workmen. Rep. Joe Preston, R., Cassia, argued that increased compensation rates that would be necessitated by the bill would work a hardship on employers and contended the measure would "destroy individual initiative." "The individual," he said, "has some responsibility to help himself and we cannot help him by destroying his individual initiative." He said the cost involved in the bill "shows a total disregard for the employees who pay the bill. I would remind you it was the profit motive that produced the great society we enjoy," he said, adding: "If we destroy the profit motive, we destroy the society."

BOISE, Feb. 24 (AP)—The Idaho house killed yesterday a bill repealing a section of the western interstate commission for higher education compact dealing with students receiving medical training at out-of-state schools. It would have freed students from paying back money expended by the state for their training if they did not return to Idaho to practice for at least two years. Rep. Frank Hirsch, R., Bear Lake, argued that the provision discriminated against the students and was "unfair" to them. He said 60 per cent of the students who receive aid under the compact return to Idaho and that the present requirement is not necessary. Opponents of the bill argued, however, that students who receive assistance from the state to further their professional training "have an obligation" to return to Idaho. They argued that if the students do not desire to return to Idaho they should repay the money expended so that additional funds will not have to be appropriated to keep the program going.

BOISE, Feb. 24 (AP)—The senate measure that would have increased county treasurers', assessors' and coroners' terms from two years to four failed yesterday for the second time to pass the senate. Sen. Harold Rye, R., Washington, asked reconsideration of earlier defeat, arguing that voters approved four-year terms for sheriffs and county clerks and should have a voice on terms of other officials. The measure was a proposed constitutional amendment that would have made the four-year terms effective for candidates elected in 1968. A public vote on the term change also would have been on the 1968 ballot. Opposing argument was kept to one sentence by Sen. Arthur Murphy, D., Shoshone. "We have pointed out," he said, "that if the change became effective in 1968, we would all be in favor of it." He argued last week that election of candidates and change of their terms on the same ballot may be challenged in court. The vote yesterday was 28-8, a majority that failed to meet the 30 votes required for two-thirds approval.

BOISE, Feb. 24 (AP)—A proposed constitutional amendment which would have removed the state superintendent of public instruction from the list of elective officers was defeated by the house yesterday, 52-16, one vote short of the needed two-thirds majority. The bill was kept alive, however, by Rep. Elmer Leonardson, R., Clark, who served notice he may ask for reconsideration of the vote. Held on the calendar after the vote was a companion measure which would have made the office appointive by the state board of education. A similar proposal was defeated by the senate earlier in the session but was reconsidered and is now being held for further study by the education committee. Defeat of that bill came on a party line vote. Rep. Frank Hirsch, R., Bear Lake, floor manager of the house bill, contended the amendment would remove the office of state superintendent from politics and result in "stronger programming and better educational opportunities." Hirsch also suggested that with an appointed superintendent of public instruction the legislature could turn over to the state board of education the task of devising a formula for distribution of state funds to local school districts. "This," he said, "should be the job of the state board. They have the mechanics to do the job and it should be their responsibility."

BOISE, Feb. 24 (AP)—Charges that the Idaho State Chamber of Commerce is using "scare tactics" in its lobbying efforts were voiced yesterday on the floor of the Idaho house of representatives. Rep. Robert A. Huntley, D., Bannock, said he referred to letters mailed to 3,000 persons opposing bills creating an underground water users and pumpers commission and providing for an annual tax to finance its operation. Huntley's contention that the letters were mailed by the chamber at the request of the Idaho Power company and Utah Power and Light company were denied by Hugh Wilson, the chamber's executive secretary. However, Huntley noted that the two bills will be coming up for final consideration this week and said such "11th hour scare mailings to approximately 3,000 persons is unfair to the legislators." Wilson said, however, that "any assertion by Representative Huntley that the Idaho State Chamber of Commerce acted at the request of individual members within its organization is not a valid assertion and has no basis in fact." He said the chamber, as a statewide organization, is seriously concerned with legislation as proposed and makes no apologies for "disseminating information about such proposals."

Legislative Luncheon Has Talk on Reapportionment

About 60 people attended a legislative luncheon Tuesday at the Twin Falls American Legion hall. Those in attendance talked with Twin Falls legislators for about half an hour over the telephone hookup.

Speaking at the luncheon was L. James Koutnik, Twin Falls. Koutnik stated, "In Idaho, as well as many other states, supreme courts have made it clear that there is no choice but reapportionment. The supreme court has left us no choice. We must reapportion."

"If the legislature fails to meet this responsibility during its special session or attempts to circumvent this decision through malapportionment, then the federal court will do it for us."

Koutnik went on to say, "In Idaho 17 per cent of the voters select 51 per cent of the members of the senate and 33 per cent of the people elect 51 per cent of the representatives."

"The supreme court has clearly stated that this is not equal representation," Koutnik continued. "The district court has given us 30 days after the present session to correct this disenfranchisement of the more populated counties. The district court recognizes that all reapportionment efforts to date have served only to perpetuate the rural control of our state legislature."

"The populated areas of the state will now have a new responsibility. This means that they must also recognize the rights of the new rural minority which is

Last Rites Held For Mrs. Smith

JEROME, Feb. 24—Funeral services for Mrs. Bessie A. Smith were conducted at 10 a.m. Tuesday at the Home funeral chapel by the Rev. E. V. Hargreaves. Mrs. Robert Coley was the soloist and Mrs. Harold Campbell accompanied. Pallbearers were William Costello, Wilford Wilson, John Smith, Paul Wiswell, William Reedy and W. L. Hove. Final rites were at the Mountain View cemetery, Fairfield.

Melba Man, I.E. Boy Die After Crashes

By The Associated Press

A 22-year-old Idaho Falls boy was fatally injured and a 45-year-old Melba man died in a Boise hospital Monday, raising Idaho's 1965 highway death toll to 24—eight more than on this date last year. The boy, Jeffrey Metcalf, son of Mr. and Mrs. Darwin D. Metcalf, was thrown from his parents' car when it skidded on ice and careened off Interstate 15 about 12 miles south of Idaho Falls.

Jeffrey died more than an hour after the accident in Idaho Falls LDS hospital. His father was also thrown from the car. Mr. and Mrs. Metcalf were treated for cuts, abrasions and released.

State police said Mrs. Metcalf was attempting to pass a slow moving truck. They said her car skidded sideways more than 150 feet, went off the road, landed on its back and flipped back onto its wheels.

The Melba man, Tom Leavett, was injured Sunday when he was thrown from a truck and run over by another vehicle on Idaho route 45 in Owyhee county.

State police said Leavett was standing on the running board of the truck checking its load when it was struck from behind by a second truck.

Officers said Leavett was thrown to the road and run over by the second truck, which apparently spun out of control after the collision.

Charter Night Fete Held by Gooding Lions

GOODING, Feb. 24—Gooding Lions club members and their wives attended the annual charter night banquet Monday evening at the dining hall of the Idaho State School for the Deaf and Blind.

Special guests included District Gov. Robert McConaha, Ontario, Ore.; Deputy District Gov. C. E. (Edd) Bossard, Twin Falls, and international councilors R. M. (Dick) Serpa and Mrs. Serpa, Fern Baler and Mrs. Baler, and Robert Baker, all Twin Falls. Hugh Baker and Mrs. Baker, Ontario; Jack Russell and Mrs. Russell, and Carl Worthington and Mrs. Worthington, Jerome, and Mr. and Mrs. Ray Duffin, Boise Bench Lions club.

Guests also attended from Boise, Jerome, Ontario, Wendell and Twin Falls. Dwain Knigge, Twin Falls, introduced Bossard, who is a candidate for district governor.

Baler conducted an induction ceremony for Harold Reed, new member, and also introduced Mrs. Reed.

John Best, president of the local club, introduced the three charter members of the club, Clark Williamson, Leland Fietzman and Al Smith.

Anna Cammack, president of the student body of the blind department at the school, presented each of the international councilors with a tie clip.

After the dinner music students from the blind department, under the direction of Deloris Cheslik, presented a program. The girls' trio sang "Walk Hand in Hand" and "Hello Dolly." Wanda Lloyd sang "Maid of Cadiz" and "Will You Remember?"

McConaha gave a short talk on what an international councilor is. Quoting from the Lions club magazine, he stated a councilor is a district governor who has served his district with distinction. He explained some of the other qualifications and paid tribute to the councilors in attendance.

Japanese Prince Has Anniversary

TOKYO, Feb. 24 (AP)—Prince Hiro celebrated his fifth birthday anniversary yesterday with a cake baked in his palace home by his mother, the commoner daughter of a flour mill executive.

The kindergarten prince, heir to Japan's 2,000-year-old throne, received his relatives and friends in his palace, where he lives with his father, Crown Prince Akihito and his mother, Crown Princess Michiko.

Hiro is the only child of the crown prince and second in line to the imperial throne after his father.

FARM AUCTION

As I am quitting farming, I will sell the following located from the South West Corner of Buhl, Idaho, 4 miles South, 2 miles West, and 1 1/4 mile South or from Castleford, Idaho, 3 miles East and 3/4 mile South.

FRIDAY, FEB. 26

STARTING TIME 11:30 LUNCH ON GROUNDS

TRACTORS

1948 8N Ford tractor in good condition, fair rubber
1948 Moline Z tractor in fair condition, fair rubber
1947 IHC "A" tractor in good condition with duals on rear
Farmall regular tractor with mechanical loader, new tires on rear
1944 IHC "A" Tractor, in good condition

TRUCKS AND BALER

1960 Chevrolet 2-ton truck, 4 speed axle, 6 cylinder motor, new rubber on rear and real good rubber on front, has a new 15 1/2 ft. beet bed mounted on it. Side boards rigged up with springs. Truck and bed will sell as a unit. This is a real nice unit. You will find it is one of the better trucks in the valley.
1935 Chevrolet 1 1/2-ton truck; fair rubber with a flat bed. Runs pretty good yet.
IHC 55 T hay baler with motor in A-1 condition. Front end wheel carrier for baler

LIVESTOCK

Brindle Whiteface springer heifer, bangs vaccinated
2 Jersey springers, coming with 2nd calf, bangs vaccinated
Guernsey cow, fresh 30 days, bangs vaccinated
Angus heifer calf, one month old
*Loading chute on grounds

Fencing & Corral Materials

2 railroad ties; 2 IHC fences; 30 steel fence posts; 14 electric steel posts; some electric 2"x2" posts; some panels; 2 small gates; some corral poles; 3 calf feeders.

CHICKENS and EQUIPMENT

180 Austria white laying hens
100 chicken brooder
100 chicken incubator
Chicken feeder and waterer

HAY and STRAW

250 bales 2nd cutting hay
300 bales straw

MISCELLANEOUS

Marquette 180 amp electric welder
Propane weed burner gun
2 Continental motors, both run good
Buzz saw, 4 coil spring shanks
Aero-Flame oil heater; Shop coal heater; work bench; lawn pump; 4 steel water chucks; 6 piles good round and angle irons; log chain, fork, cultivator clamps; set of Buick wheels with snow tires; good wagon tires, 15" and 16"; dual wheels for baler; 6 wooden wagon wheels; 10 ft. step-ladder and other miscellaneous articles too numerous to mention.

Big Game Scene Brightens as Weather Eases

Big game herds on the northern rim of Magic Valley seem to have weathered the worst of the winter and the fish and game department believes the elk and the deer may have escaped the severe weather quite well. Ed Scholes, district supervisor, said there has been no

Sports

FROM ALL ANGLES

By LARRY HOVEY

The old matter of the home floor advantage, as gymnasiums continue to improve, seems to be gradually losing statistical support. But that is true only when the teams involved come from the same area.

This has been a hard fact that Twin Falls basketball teams have been fighting for years in Southern Idaho conference and Burley and Minico are finding it in the Eastern Idaho league. For any of those teams to win league championships, they must definitely be superior teams.

A bright example of that fact came out a week-end ago when Caldwell, sharing the SIC lead, and rated No. 1 in the state, finally got away from home. The result was two thumpings. Coach Terry Conley was very upset, to say the least, over the double loss but facts should never told him to expect anything more than a split at best—simply because the Cougars didn't have the height ala a Borah or some team like that. In other words they weren't good enough to carry on away from home in the face of the changes that occur. Caldwell played 18 games within 40 miles of home base.

It was quite obvious after Caldwell just beat Twin Falls 46-43 that the Cougars would be in trouble down here.

The difference, then, isn't so much in gymnasiums as in officiating. And by this we don't issue the old cry of "homer." It is just the difference in rule interpretation among the various district official associations—despite every effort to keep them uniform through films, clinics, etc.

"The officiating wasn't bad," coach Paul Ostyn said after the Bruin trip to Caldwell. "I just felt they protected (Steve) Garman too much."

That this is correct is evidenced by a remark an official working the game made to Bruin John Astorquia. All T.F. fans maintain Astorquia never came within two feet of Garman when he was charged with a third-quarter foul. When Astorquia asked what he'd done, the official rejoined "Stay away from him."

And that is the third district. The officials in the Boise area give too much protection to the man with the ball and this very often includes incorrect interpretation of blocking and charging—the sport's biggest bugaboo.

To the east, the officials in the Pocatello area, probably exposed too much to ISU and college antics, are liberal to the point of slaughter. Mayhem may be committed under the backboards in Pocatello without a whistle to be heard. We assume it to be the same for Minico and Burley when they travel to Blackfoot, Idaho Falls and Madison for their EIC games. It's rough down there. After all, the same officials just move around within the area.

So naturally when any of the surrounding clubs come to this area you can expect two things. Third district coaches are screaming "they're killing my guy out front." Eastern coaches are pleading "let 'em play under the boards."

If any of you tend to discount this theory, here are some statistics. Using all 26 Magic Valley high school teams as a basis here's what the 1964-65 basketball record says. A total of 190 games were played among the district teams (using fourth district officials). Of that number, the home team won 101 times, the visitors 89. Therefore, a traveling team won 47 per cent of its games.

That home court percentage of 53 per cent shows a steady decline from 61 per cent seven years ago. This can be attributed to (1) new, larger gymnasiums and (2) more uniform refereeing.

But switch now to the inter-district schedules. In that one the visiting team can expect to win only one of four games. The actual figures read out of 74 games, the home team won 56 times, lost 18. That's .757 per cent and fairly convincing.

Examples show Caldwell played out of the third district three times, bowed twice. Nampa was the same, Boise and Borah, however, won all three SIC eastern swings—although two of Boise's wins were by a total of three points on the road. At home Boise had a combined cushion over the same clubs of 25 points.

Under those circumstances, it is easy to see why, despite some good teams, Twin Falls hasn't won the SIC since 1954. The Bruins play half their conference schedule out of the district. Burley and Minico have a slight edge there as they can play each other with "home" officials.

To a degree these figures are misleading as Twin Falls, Burley and Minico do not have really good clubs this year. The fact remains none of the three won on the conference road, but they did, at home.

CHARLES McWILLIAMS and BOB SEVY, two Twin Falls skiers, ran one-two in the men's class of the annual Sun Valley Ski club championships over the week-end. McWilliams is attending Denver university while Sevy is a senior at Twin Falls high school. Leslie Hoss, also Twin Falls, won the advanced women's division. (Sun Valley photos)

Matson Opens Drive for World Mark

COLLEGE STATION, Tex., April 24 (AP)—Dandy Matson, the young Texas A and M giant, threw the shot 66 feet, 10 inches this week to signal the start of his drive toward the outdoor world's record.

Matson already has established the indoor record of 66 feet, 2 1/2 inches and now he's after Dallas Long's outdoor standard of 67 feet, 10 inches. He will be in his first meet of the season Saturday when the Aggies host Baylor and the massive sophomore might just get the record then.

If he makes as much progress this year as he did in 1964, he should be heaving the 16-pound ball around 70 feet before the season is over. He went from 60 feet to 66.

Sunny Matson, in the relative quietness of the A and M athletic field, treated a half-dozen witnesses to his greatest throw yet. It was 6 1/2 inches better than the one he made to win second in the Olympic Games.

Six times the 8 foot, 6 1/2 inch, 255-pound Matson heaved the shot. Five times it exceeded 66 feet. The sixth throw went 66 feet 10 inches and Matson quit for the afternoon.

Hawks Claim Forgery in Hurley Pact

SAN FRANCISCO, Feb. 24 (AP)—The international controversy over baseball pitcher Masanori Murakami became more heated Tuesday as a law firm hired by the Nankai Hawks claimed a signature on a release document was not that of the Japanese team's managing director, Tsuguhiko Iwase.

Vice president Charles Feeney of the San Francisco Giants said the release was sent to Japan for signatures and was returned with them. He said he knows one was that of Murakami and assumed the other was that of Iwase.

Negotiations, said Feeney, were handled through Gappy Harada, who acted as an agent for the Hawks.

In a news conference together with two members of the law firm, Joe Stanka and Carl Hanta said Iwase had not signed the release and that the signature on the document had his first name misspelled.

Both the Hawks and Giants claim the services of Murakami, who became the first Japanese National to pitch in the United States major leagues when he appeared with the Giants in late 1964 as a relief pitcher.

Stanka, a former major league pitcher now playing for the Hawks, said, "We don't know who signed the release, but we know it was not Mr. Iwase."

The attorneys contend the release was not valid—and therefore a contract signed by Murakami with the Giants for the 1965 season also is invalid.

Deadline

Entry deadline for the 15th annual Twin Falls Bowling association tournament is midnight Saturday, reminds secretary John Birrell.

The tournament will be conducted March 13-14 and 20-21 at the Magic Bowl. Entries should be mailed to Birrell at 145 Larkspur drive, Twin Falls.

Boston to Go All Out to Beat Russian

SAN FRANCISCO, Feb. 24 (AP)—America's Ralph Boston says he will concentrate on the broad jump Friday night in the Golden Gate Invitational indoor track meet to beat Russia's Igor Ter-Ovanesyan.

Boston, former Olympic champion and world record holder, lost to the Russian last Friday night at the AAU championships in New York.

Both had best jumps of 28 feet, two and one-half inches, but the Russian had a second best of 26 feet, one inch, while Boston had 26 feet, one-fourth inch.

"The Golden Gate invitational is my last chance to take him this season," said Boston. Centering his attention on the broad jump, he will skip the hurdles, an event he won in the AAU.

Ter-Ovanesyan worked out with his five Russian teammates Tuesday at Stanford university.

Australia's distance star, Ron Clarke, was scheduled to arrive and will be matched in the two-mile run against America's Billy Mills, upset winner of the Olympic 10,000 meter crown.

Clarke took third in the Olympic mile run against America's Billy Mills, upset winner of the Olympic 10,000 meter crown.

"I'm coming to San Francisco to break the world indoor two-mile mark," Clarke wrote meet director Bert Nelson.

The record of 8 minutes 30.8 seconds was set by American Jim Beatty.

Borah Claims Top Spot in Final AP Prep Rating; Gooding Makes Top Ten

By The Associated Press

Coach Murfay Satterfield's towering Borah-Lions made it two in a row in the Associated Press basketball poll as 11 of 13 voters the final week pegged the defending champions in first place.

In two seasons of play the Lions have rolled up 37 wins and only two defeats, losing this year to Caldwell and dropping a game to Mountain Home last season.

So completely did the Borah team dominate this year's poll that only Caldwell was able to shove it out of first place and that for two weeks after the Cougars upset the Lions 60-58 in mid-January.

Idaho Falls, divorced from the Southern Idaho conference, nailed down the runner-up honors by a margin of four points over the third place Lewiston quartet. Coeur d'Alene took fourth place on the final ballot and Middleton, second last week, finished in fifth position. Middleton was the only undefeated team in the top 20.

Boise came fast in the final two weeks and took sixth while Caldwell ranked seventh and Emmett, Blackfoot and Gooding rounded out the top 10 positions.

Coeur d'Alene and Blackfoot each got one first place vote in the final poll.

A total of 24 teams were named on the last ballot of the season. Borah and Idaho Falls were the only two teams mentioned on all 13 ballots and Lewiston gained votes from all but

one voter. Caldwell missed on two ballots.

The Lions, widely upset in last year's semifinal state tournament game by Twin Falls, will be heavily favored this season in the state A-1 tourney at Pocatello.

Top Ten

1. Borah (11) (18-1) 122
2. Idaho Falls (15-5) 84
3. Lewiston (16-1) 80
4. Coeur d'Alene (1) (14-6) 69

For Idaho Folks Who DON'T DRINK

A Special New **GOLD STAR** Low Cost Plan

MEDICAL-SURGICAL-NURSE

PROTECTION - 3-Day Introductory Offer

Yours For Only \$100

FOR FIRST MONTH - MONEY BACK IN FULL IF NOT 100% SATISFIED!

★ **OFFER GOOD FOR 3 DAYS ONLY**

YOUR ENVELOPE must be mailed by **Midnight, Saturday, Feb. 27th 1965**

★ **NO AGE LIMIT - YOU CAN BE 1 OR 101!**

IF YOU are the one American in four who does not drink alcoholic beverages, you are eligible to apply for this new low-cost Gold Star Medical-Surgical-Nurse Protection that pays you big cash benefits to help pay sickness or accident bills.

You can apply for this new protection regardless of how old you are now - there is NO age limit. And Gold Star pays in addition to any other coverage or compensation you may have. Yet, because you've been protecting your own health all along by not drinking, you get this big-benefit protection for only pennies a day!

In fact, to introduce you to this great new Gold Star Plan, we make this special offer: Act within 3 days and you may have one whole month's coverage for only \$1.00 - less than four cents a day! Then, if you're not 100% satisfied that this policy is the best - and least expensive - let us know within 10 days and your dollar will be refunded! Otherwise, you have the privilege - only if you wish - of continuing this great protection at the low, low rates shown here.

Look At All These Gold Star Benefits

Right now, you probably have some hospital coverage. You may think you're "safe" from all the financial burdens of sickness and accident. But hospital coverage usually only takes care of part of your expenses. Are you protected against the soaring costs of surgery bills, doctor visits, nursing bills?

Now, with this Gold Star Plan, you WILL be protected! Gold Star pays you for surgery bills, if surgery needs to be performed. Gold Star pays you for doctor visits when you need them. And, Gold Star helps you pay for a full-time registered nurse to take care of you at home, after you leave the hospital!

Folks Seldom Have Enough Insurance. Do You?

The chances are one in seven that even you will spend some time in the hospital this year. A fall on

the stairs, in the bathtub, or on the sidewalk - a sudden illness or operation - could lay you up for weeks, months, perhaps even years.

Can you afford costly doctor, surgery, and nurse bills? Even though you probably have some protection now - will it be enough? Sickness, accident, hospitalization, cost many people their savings, their cars, even their homes. Don't take chances with your financial security. Now for only pennies a day, YOU can enjoy the added protection, the peace of mind, the freedom from worry that this new Gold Star Medical-Surgical-Nurse Plan NLE-41064 offers.

MAIL APPLICATION TODAY - "Later" May Be TOO Late!

Once you suffer an accident or sickness, it's too late to buy protection at any cost. That's why we urge you to act today - before anything unexpected happens.

Simply fill out the simple application on this page and mail it with just \$1.00 for a full month's protection, which will go into effect at noon of the day we receive your application. Your policy will be sent to you right away by MAIL. When you get your policy, examine it for its benefits and features. Have it checked, if you wish, by your doctor, lawyer, or other trusted adviser. If not 100% satisfied, let us know within 10 days and your dollar will be refunded. But if you decide to continue this worthwhile protection, you may do so at the low rates as follows, which are for your age at the time of renewal:

GOLD STAR MONTHLY RENEWAL RATES:

Age 0 through 39	\$1.97 per month
Age 40 through 59	\$3.89 per month
Age 60 and over	\$6.68 per month

And, as a special additional Gold Star feature, you can get a big two-months' saving by paying yearly!

TIME IS PRECIOUS! If you don't drink, act quickly. Get your coupon into the mail today.

COMPARE THESE GUARANTEED BENEFITS

PAYS YOU UP TO \$1,000.00 for a registered nurse, after you leave the hospital and are convalescing at home. That's right! If you have been in the hospital for at least 5 days, and your doctor has you employ a full-time registered nurse within 5 days after you leave the hospital, we will pay you \$10.00 a day for this nurse for up to 100 days! And you need not employ this nurse a hundred days in a row - because this big benefit is payable during the 180 days following your hospital stay!

PAYS YOU UP TO \$300.00 for your doctors' bills for surgery, whether performed in or out of the hospital, according to a schedule printed right in your policy! For each sickness, injury, or hospital confinement, you enjoy the maximum benefit of the largest amount specified for any one operation. For example, you would get \$250.00 for removal of a kidney.

PAYS YOU UP TO \$320.00 for doctors' visits at the rate of \$4.00 for one visit per day when you are in the hospital and surgery is not performed.

PAYS YOU IN ADDITION to any other surgical, medical and nursing protection you might have.

ALL CLAIM CHECKS SENT DIRECTLY TO YOU VIA AIR MAIL. And policy is mailed to you at home. No salesman will visit you!

NO AGE LIMIT! Same benefits whether you are 1 or 101!

SPECIAL RENEWAL WARRANTY. Gold Star guarantees never to cancel your protection because you grow older or because you have too many claims, and guarantees never to refuse to renew your policy unless renewal is declined on all policies of this type in your entire state. Of course, if deception is used in making application, this policy may be ineffective. This is another way Gold Star protects honest folks who don't drink.

ONLY REQUIREMENTS. You must not drink alcoholic beverages; you must have no previous rejections of any application for health, hospital or life insurance; you must not have been advised to have an operation which has not yet been performed.

ONLY CONDITIONS NOT COVERED. Every kind of sickness and accident is covered, except, of course, hospitalization caused by the use of alcoholic beverages or narcotics; mental or nervous disorders; any act of war; or pregnancy. Everything else IS covered. These proper exceptions help to keep Gold Star rates lower for YOU!

COVERAGE FOR PRE-EXISTING CONDITIONS. After your policy has been in effect for just two years, you are even covered - in addition to all your other Gold Star benefits - for pre-existing conditions (which are not usually covered at all). What a boon to those with chronic, recurring health problems!

GRATEFUL POLICYHOLDERS PRAISE GOLD STAR SERVICE

Mrs. Christine Watson, Santa Ana, California: "You are to be commended for the excellent way you handled my claim. Your promptness in paying is greatly appreciated as I am a widow and living on a limited income. I would recommend your plan to anyone."

Harry Goodman, Salem, Massachusetts: "Thank you for the check for my recent illness. As a former Insurance Agent I know value and recommend De Moss to anyone. The attention and service you gave my claim is most commendable."

James G. Landis, Fort Wayne, Indiana: "Without delay, Gold Star mailed me a check for the proper amount to pay my claim. The immediate and courteous attention given me is appreciated very much. There seems to be a 'personal' interest by Gold Star, beyond just a 'business' transaction. A hearty THANKS."

Rev. James L. Roberts, Pineville, No. Carolina: "Thank you for the prompt attention given my claim. It was as if everyone in your office was working just for me. I have been a member for 4 years and am pleased to recommend the Gold Star Plan."

Mrs. Luise Gurtel, Yonkers, New York: "Thank you for your check which I received this morning. I was embarrassed to present a claim after signing for the policy such a short time ago. I can certainly recommend this company without reservation. I truly appreciate your prompt service."

George F. Guler, Ollton, Oklahoma: "This is the third substantial claim you have paid me in the last year. All were handled in a very prompt and courteous manner, for which I certainly thank you. Gold Star is very high in my estimation."

LEADING AMERICANS PRAISE GOLD STAR PROTECTION!

S. S. Kresge, founder of the S. S. Kresge Co.: "I'm delighted that non-drinkers are now rewarded by insuring with the Gold Star Plan at substantial savings. Gold Star's popularity indicates that it is the right answer to the question of drinking and hospitalization."

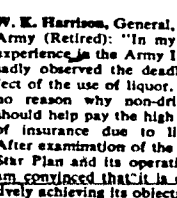

Lynn Burke, Olympic and world swimming champion: "Swimming and the use of liquor do not mix. Neither I nor any other champion I know drinks. My father, a swimming instructor, along with other coaches, forbids his contestants to drink. Of course, I highly recommend the Gold Star Hospitalization Plan for non-drinkers."

Hon. Frank Carlson, U. S. Senator, Kansas: "As a taxpayer, I am delighted that Arthur DeMoss has worked out a practical plan to provide hospitalization for non-drinkers at a reduced cost. I would urge those who are concerned about their financial security to take advantage of this most excellent opportunity."

Upton Sinclair, Pulitzer Prize author: "I think your idea of giving people the insurance discount which they earn by not shortening their lives with alcohol is a brilliant one, and I am glad to be counted in on it."

W. E. Harrison, General, U. S. Army (Retired): "In my long experience in the Army I have sadly observed the deadly effect of the use of liquor. I see no reason why non-drinkers should help pay the high costs of insurance due to liquor. After examination of the Gold Star Plan and its operation, I am convinced that it is effectively achieving its objectives."

Jerome Hines, leading bass with the Metropolitan Opera Company: "The non-drinker is a better risk and should be entitled to a better insurance rate. There has long been a need for a special hospital plan for total abstainers. Having known Art DeMoss for a long time, I am most happy to recommend this low-cost Gold Star Policy. It should prove to be a real help and blessing to all who can qualify."

The Gold Star Plan

policies, available and paying claims in all 50 states and in many foreign countries, are underwritten by the

NATIONAL LIBERTY LIFE INSURANCE CO.

Valley Forge, Pa., which is licensed solely under the laws of the Commonwealth of Pennsylvania, and which carries full legal reserves for protection of all policyholders.

This Gold Star Plan is issued by the same trusted organization that has already issued Hospitalization Protection to hundreds of thousands of non-drinking folks, and that has advertised in over 300 leading publications, including Reader's Digest, Farm Journal, Christian Herald, Woman's Day, Redbook, Together, Today's Health, Family Circle, Capper's Weekly, McCall's, Better Homes and Gardens, Ladies' Home Journal, and many others.

NO SALESMAN will call on you... now or ever. Your policy will be mailed to you at once! **Fill Out and Mail Application-Coupon TODAY!**

ADDRESS Street City Zone State

AGE DATE OF BIRTH Month Day Year SEX Male ☐ Female ☐

I also hereby apply for coverage for the members of my family listed below: (DO NOT include name that appears above)

NAME	RELATIONSHIP	AGE	DATE OF BIRTH

Neither I, nor any person listed above uses alcoholic beverages; has had any previous rejection of any application for health, hospital, or life insurance; or has been advised to have an operation which has not yet been performed. I hereby apply for the Gold Star Medical-Surgical-Nurse Plan, Form NLE-41064. I have enclosed \$1.00 for each person listed above for the first month's coverage. I understand the policy is not in force until actually issued.

If, for any reason, I am not completely satisfied with this new protection - I may return my policy within ten (10) days for cancelling and my payment will be promptly refunded. If I decide to continue, I may do so at the special Gold Star rates for the attained age(s) at renewal date.

YOU MUST SIGN HERE ☒ NLE-41064-R Date

YOU MUST MAIL APPLICATION BEFORE MIDNIGHT SATURDAY, FEB. 27, 1965
